## Head of Family

We have a strong pastoral team, and the successful candidate will become one of our six Heads of Family. We have mixed aged group forms (Vertical Tutoring) with learners separated into small forms that are within larger 'Family' groups. We also have Heads of Learning who oversee the academic progress, behaviour and personal development of two Families each.

This new structure has created a more 'human scale' to the school, and will continue to boost pastoral capacity, as the school expands from 210 learners per year group to 240 learners in each year group. The year groups currently with 240 learners are Years 7, 8 and 9.

We moved to a vertical tutoring structure of mixed age group forms at the start of last academic year. We thought carefully before making this change and considered the pros and cons of this approach. Collaboration with other schools with a vertical tutoring structure encouraged us to take this step. Here are some of the reasons why we did:

- To better focus on our mission of learning for life and to positive impact our school culture
- To increase peer support
- To provide a more real world approach
- To 'spiral' key messages and key knowledge
- To provide time for inquiry projects
- To provide time to develop e-portfolios of learning and achievements

- To enable form tutors to focus on a smaller number of learners at different points in time

The job description details the exact expectations and responsibilities encompassed by the Head of Year / Family position.

## Application Process & Key Dates:

Interested colleagues should complete an application form and submit, with a letter of application which outlines how your experiences to date and how you would approach the role if you are appointed.

**Deadline for application: Thursday 25th June 2026 at 8.00am**

**Shortlisting: Thursday 25th June 2026**

**Interview dates: Tuesday 30th June 2026**

Please send completed applications by email to Miss M Johns, HR & Cover Manager at: [HR@ladybridgehigh.co.uk](mailto:HR@ladybridgehigh.co.uk)

## Introduction to Ladybridge

Ladybridge High School is a local authority controlled state school two miles to the west of Bolton town centre. The school is at the heart of an incredibly diverse local community. Our learners have a broad range of academic starting points, socio-economic circumstances and ethnic backgrounds. Over 70 different languages are spoken by our learners and our families originate from over 35 different countries. Around 30% of our learners live in some of the most disadvantaged postcodes in the UK and around 30% live in the most affluent. It would be difficult to find a more comprehensive intake of young people. We celebrate our diversity and see the comprehensive nature of our school as a real strength.

## Benefits of working at Ladybridge

Part of our distinctive ethos relates to how we treat staff and the culture this promotes. We aspire to be a true learning community, which we believe is best achieved through eradicating the fear of making mistakes. Taking calculated risks, reflecting on what we learn from this and working as a team are fundamental to our culture. Most of our energy as leaders goes into providing the best possible professional learning for staff and investing in the health and effectiveness of our relationships across the school. Openness, honesty and compassion are highly valued at Ladybridge, these qualities must be modelled at all times by our leaders.

Teaching staff at Ladybridge typically have a minimum of 20% Planning Preparation and Assessment (PPA) time, significantly above the national expectation of 10%. All teaching staff have a 'flexi afternoon' each fortnight, where they are free to leave the school site at the start of lunchtime. We do

not expect teachers to work on their flexi afternoons. The vast majority of our associate staff also have varying degrees of flexible working. All our teaching staff, and many of our associate staff, are allocated an iPad, which helps us in a variety of ways, including ensuring data on achievement and behaviour are as live and accurate as possible. We use a 'study hall' approach to cover absent staff, which we very rarely use supply teachers or ask teachers to cover absent colleagues.

Staff wellbeing is prioritised at Ladybridge. Our swimming pool, leisure centre and 3G pitches enable us to offer staff swim sessions and free access to the gym and other sports facilities. Other staff wellbeing activities include football, badminton and tennis. The school farm also provides an enriching and nourishing environment for both staff and learners. The school also offers free Mindfulness and Cognitive Behaviour Therapy (CBT) sessions and courses for staff. In addition, staff are also offered the opportunity to access coaching sessions with an external professional at various points throughout the year.

Staff have access to 'Vivup', which is an employee benefits programme, consisting of many schemes and money saving initiatives designed to support mental, physical and financial wellbeing. Staff can also access the Employee Assistance Programme, which provides a confidential support helpline 24 hours a day 7 days a week, 365 days a year for any emotional, personal or work-related issues. The Lifestyle Savings section has access to a range of instant savings and discounts for shopping, days out, restaurants and much more. There is also a Cycle to Work Scheme and a Health & Wellbeing section with links to various self-help workbooks, podcasts and advice.

Another attraction to Ladybridge is our emphasis on sustainability. The school has benefitted from a [£1.4 million decarbonisation grant](#) to fund the installation of air source heat pumps and solar panels. This also helps to 'future proof' the school as fuel costs rise. The environmental group within our learner Leadership Academy work with the staff to reduce our impact on the environment and to increase the biodiversity across the school site.

As beneficial as the points above are, perhaps the most significant aspect of working at Ladybridge is how staff are given the freedom to think, be creative and influence the development and improvement of the school. Staff autonomy, agency and creativity are valued at Ladybridge, within a structure of simple, consistent and effective systems and routines.

## The Ladybridge Trivium

Ladybridge has a unique ethos and a 'Trivium' educational philosophy. More information on the

Trivium can be found on our website [here](#).

The Ladybridge Trivium balances traditional and progressive educational approaches and prepares our learners for both the examinations they face at the end of Year 11 and the qualities needed to thrive and be successful throughout their lives. We seek to provide real world, authentic learning experiences that mirror complex challenges young people may face in the workplace in the future. A simple summary of the Trivium is given below:

1. **KNOWLEDGE** – Learn something new

from an expert, this includes experts beyond school.

2. **EXPLORATION** – Debate, discuss, form your own ideas and gain authentic, real world experiences.
3. **COMMUNICATION** – Communicate your ideas to others, and perform publicly, in different ways to a variety of audiences.

The Trivium includes 'Everyday Trivium' approaches and 'Project Trivium' approaches, such as our [Bolton - Rewind Regenerate](#) project from last academic year. We are beginning to track our journey towards the vision of the Ladybridge Trivium on our blog, which can be found [here](#).

## **WISDOM Qualities**

We believe that young people who are kind, respectful, committed, curious and resilient, with the ability to work effectively with others in a team, are likely to thrive at school and beyond. These six 'WISDOM qualities' are promoted, recognised and valued highly at Ladybridge. The development of these qualities, along with academic knowledge, aligns with our mission to prepare young people for their future lives and to develop good citizens.

## **Investing in relationships and professional learning**

The health and quality of relationships ultimately determines the success of the school and how it feels to work and learn here. The school provides training for all staff in Educational Transactional Analysis, which involves the study of relationships and human interactions within an educational context. All new staff complete the introductory certificate in Transactional Analysis (TA101) with Giles Barrow, an internationally renowned TA trainer, coach and expert in the educational implications of TA theory.

We are committed to providing the very best training and professional learning for our staff.

## **Early Careers Teachers**

The provision for Early Careers Teachers at Ladybridge High School is supportive and nurturing, fostering a culture of growth and professional excellence. We recognise and value the role of ECTs and, as such, you will have access to a comprehensive and individualised programme of mentorship and professional development designed to help you flourish and develop into a confident, capable classroom practitioner.

We model our programme on nationally recognised models of best practice, and work with STAR Teaching Schools and the National Institute of Teaching to deliver the Early Careers Framework, giving you access to the latest educational research, leading experts, and regular opportunities to collaborate with other ECTs. We also work with several local Initial Teacher Training providers, so whatever route you have taken during training, we have a good understanding of your starting point and prior experiences and how to help ensure you achieve your career goals! All of our ECT mentors are trained in effective mentorship and coaching, and we are proud of the

fact that they are all enthusiastic, committed and passionate about their role. In addition to a Subject Mentor, your ECT team will include a Professional Mentor who will meet with you regularly to provide you with wider training, networking opportunities, and wellbeing support. You will have regular meetings and feedback with your Mentors to guide and inform your teaching practice and progression. Beyond your ECT induction, there are a wealth of CPD opportunities to further grow and develop at Ladybridge, and many of our ECTs quickly move into positions of additional responsibility and leadership roles.

## **NPQs at Ladybridge**

As part of our commitment to Continuous Professional Learning at Ladybridge, we actively encourage our teaching staff colleagues to apply to study for National Professional Qualifications (NPQs), working with Best Practice Network and Ambition Institute.

These are a suite of DfE accredited qualifications for school leaders, and those aspiring to leadership, designed to support their professional development. Colleagues can follow specialist pathways of Leading Teaching, Leading Teacher Development, Leading Behaviour and Culture, or Leading Literacy, as well as further pathways for senior leadership and headship.

Whilst these courses are fully funded by the DfE, as a school we support by providing any lesson cover needed to allow participants to engage with the course through face to face meetings, rather than remotely, or through coaching and mentoring meetings. In addition to this, we also allocate every participant an in-school leadership coach, who will meet with their coachee a minimum of six times throughout the duration of the qualification, in addition to the course coach allocated by the provider. That way, all leaders and aspiring leaders developing themselves through the NPQs have unlimited access to face to face support, guidance and coaching.

On completion of the NPQ, colleagues are encouraged to look at what their next steps may be, whether that be embarking on an NPQ in another specialism, or looking to move on to the NPQ for Senior Leaders. Whatever their choice, at Ladybridge, we place huge value on the importance of the professional learning of all staff and will actively seek ways to support colleagues in their development.

## **Leadership Programme**

We run our own Leadership Programme, which combines [Leadership Matters](#) materials with reflection sessions, coaching and shadowing opportunities. All staff can access this programme, regardless of role or seniority.

## **External Partnerships**

Strong external partnerships help to support and enrich our work. We are members of the [Bolton Learning Partnership](#), which provides many opportunities for professional learning and sharing best practice locally. We are also part of a national network of schools through [Big Education](#), called the [Next Big 10](#). Many of our real world learning experiences have been made possible through working with the [Comino Foundation](#). Comino partnerships have enabled our learners to

gain work experience at McCanns advertising agency, pitch ideas to ITV executives and work with partners such as the Whitworth Gallery and the Manchester University to name just a few examples.

Looking beyond the boundaries of the school gates have also led to the creation of our Learning for Life (LfL) days, where staff get to develop and share interests and passions with learners through an incredible variety of enriching, expansive and exciting learning experiences. The LfL days from last year can be seen [here](#). You can also get a flavour of what happened this year through our [Instagram](#), [Twitter](#) and [Facebook](#) pages.
