

Which Team Fits You?

Financial Services

Help people access financial support, manage payments and make sure funding is used to provide care and support.

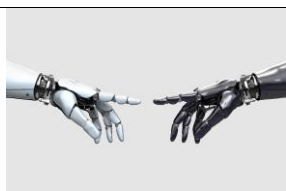

Perfect for young people: who are friendly, organised problem-solvers who enjoy working with people and numbers.

Children's Information Management

Work with technology and data to help children's services make informed decisions and provide the right support to young people and families.

Perfect for young people: who are interested in technology, data and making systems work efficiently.

Digital & Technology Services

Support digital projects, organise information and discover how websites, apps, cyber security and digital projects help deliver services to thousands of people across Bolton.

Perfect for young people: who are interested in technology, digital innovation and working behind the scenes to make things happen.

Greenspace Assets

Be part of the team that helps look after Bolton's parks, playing fields and green spaces for residents and visitors to enjoy.

Perfect for young people: who enjoy our open spaces and understand the importance of keeping them maintained and accessible for our residents.

Adult Social Care Administration

Work alongside social care professionals to help people receive the right support, information and services when they need them most.

Perfect for young people: who are caring, organised people who enjoy helping others and working as part of a team.

Youth & Play Service

Help organise activities, events and projects that give children and young people positive experiences, support and opportunities across Bolton.

Perfect for young people: who are creative, enthusiastic people who enjoy working with others and making a difference in their community.

Which Team Fits You?

Best Start Family Hubs

Help create social media content, update websites and promote services that support children, young people and families across Bolton.

Perfect for young people: who are creative people interested in social media, communications and making a difference in their community

Highways & Planning Business & Performance Support

Work on a wide range of tasks, from data analysis and customer enquiries to supporting projects that help keep Bolton's roads safe and running smoothly.

Perfect for young people: who enjoy learning new skills and no two days being the same.

Legal Services

Support legal professionals by helping organise documents, manage information and provide administrative support.

Perfect for young people: who are detail-oriented people who enjoy organisation and professionalism.

Housing Standards

Help improve housing conditions by supporting work that keeps homes safe and suitable for residents.

Perfect for young people: who want to make a positive impact in their community, ensuring residents have a house they are proud to call home.
