HOW WE USE PERSONAL INFORMATION

Under the Data Protection Regulations (2018) (formally GDPR), individuals have a right to be informed about how the school uses personal data.

During an individual's time with us, we will use information that we gather in relation to them. Information that we hold in relation to individuals is known as their "personal data". This will include data that we obtain from the individual directly and data about the individual that we obtain from other people and organisations. We might also need to continue to hold an individual's personal data for a period of time after they have left the school. Anything that we do with an individual's personal data is known as "processing".

This privacy notice explains how we collect, store and process personal data linked to the staff at The Orchards Federation.

WHERE DO WE GET INFORMATION FROM ABOUT OUR WORKFORCE?

A lot of the information we have about our workforce comes from the individuals themselves. However, we may also obtain information from tax and regulatory authorities such as HMRC, previous employers, your trade union, the DBS, our insurance benefit administrators, consultants and other professionals, recruitment or vetting agencies, other members of staff, students, parents and publicly available resources including online sources.

In addition, we may obtain information from automated monitoring of our websites and other technical systems such as our computer networks and systems, CCTV and access control systems, communications systems, remote access systems, email and instant messaging systems, intranet and internet facilities, telephones, voicemail and mobile phone records.

WHY WE USE THIS DATA

The purpose of processing this data is to help us run the school, including to:

- Enable staff to be paid and comply with tax and pension regulations;
- Facilitate safe recruitment, as part of our safeguarding obligations towards pupils;
- Support effective performance management;
- Inform our recruitment and retention policies;
- Allow better financial modelling and planning;
- Enable ethnicity and disability monitoring;
- Improve the management of workforce data across the sector;
- Support the work of the School Teachers' Review Body.

OUR LAWFUL BASIS FOR USING THIS DATA

Under the GDPR the legal basis for collecting personal data is to enable The Orchards Federation to carry out the legitimate task and public interest of educating pupils in accordance with the legal framework.

We only collect and use personal information about staff within the confines of the legal framework.

Most commonly, we process personal data to:

- Fulfil a contract we have entered into with staff;
- Comply with a legal obligation e.g. safeguarding, equal opportunities;
- Carry out a task in the public interest;

Less commonly, we may also use personal information about you when:

- You have given us consent to use it in a certain way;
- We need to protect your, or someone else's vital interests;
- We have legitimate interests in processing the data.

Some of the reasons listed above for collecting and using personal information overlap, and there may be several grounds on which to justify the school's use of staff data.

COLLECTING THIS INFORMATION

If our workforce fail to provide information to us then this may result in us being unable to perform the employment contract, or we may be prevented from complying with our legal obligations.

While the majority of information we collect from staff is mandatory, there is some information that staff can choose whether or not to provide to us.

When we seek to collect information from staff, we make it clear whether staff must provide this information (and if so, what the possible consequences are of not complying), or whether staff have a choice. In the limited circumstances where individuals have provided their consent to the collection, processing and transfer of personal information for a specific purpose, they have the right to withdraw their consent for that specific processing at any time. To withdraw their consent, they should contact the School Business Manager, Mrs S Unsworth.

HOW WE STORE THIS DATA

We create and maintain an employment file containing electronic and paper based data for each staff member. The information contained in this file is kept secure and is only used for purposes directly relevant to your employment. Once your employment with us has ended, we will retain this file until and it disposed of securely after the timescales detailed in the next section. Access to the contents of this file can be obtained by Mrs S Unsworth.

DATA SHARING
