OUR VALUES

Welcome to Smithills School

Thank you for expressing an interest in the position of English Teacher - Intervention at Smithills School. This is a wonderful opportunity to join our successful, over-subscribed 11-16 school at an exciting stage of our journey.

Smithills School is proud to be part of Bolton Impact Trust, a small, values-driven multi-academy trust comprising:

- Youth Challenge
- Lever Park
- Forward Centre
- Park School

Although each school within the Trust serves a different setting, we share a common vision and a strong set of values. Bolton Impact Trust is committed to pupil-centred, inclusive education and has consistently fostered a culture of collaboration and mutual support that reflects our own ethos.

As Headteacher I am fortunate to work alongside our talented staff, pupils, families and community partners. Our school is a very special place where we respect individuality, diversity and difference. Every child who joins us is encouraged to achieve and every adult who joins our team is given the opportunity to contribute.

Our values of Excellence, Independence and Community are evident in all that we do. They combine to ensure our vision of 'Success for All' is achieved.

In September 2023, just two weeks into my headship, the school was rated as 'Requires Improvement' in both Quality of Education and Leadership and Management but was judged as 'Good' for Personal Development, and Behaviour and Attitudes. Ofsted acknowledged that 'pupils are warmly welcomed and quickly settle into school life,' praised our 'high aspirations for pupils' achievement,' and highlighted that 'staff feel happy and proud to work' at the school. They affirmed that we are heading in the right direction with the changes we are making, noting that more time is needed to fully implement and embed these improvements.

Since then, we have had a very positive monitoring visit, leaving us with only one Area for Improvement (AFI). Ofsted's feedback included that across curriculum areas, subject leaders have clearly identified the essential knowledge pupils must learn and the order in which it should be taught. Additionally, disadvantaged pupils and those with special educational needs and/or disabilities (SEND) are benefitting significantly from these efforts.

Our pupils are at the heart of everything we do. We are committed to developing and nurturing every child, providing the very best standards of education through a strong, knowledge rich curriculum, which is built around our expectations that all pupils will develop their depth of understanding across a wide range of subjects, securing an ambitious education for all. We also offer our pupils a wealth of cultural experiences, broadening horizons and developing self-esteem which provides them with the skills to make positive contributions to society, now and in the future.

We are committed to the continued professional development of all our colleagues and take our responsibility to develop leaders of the future seriously. We are equally committed to staff wellbeing: we provide a package of support to help all colleagues achieve a happy work life balance and we have a thriving wellbeing group that initiates real change in school.

If you are a dynamic, motivated, conscientious professional who has a passion for working with children and young people and you feel you have the skills and personal attributes to work as part of an innovative, energetic and ambitious team, we would love to hear from you.
