SCHOOL STRUCTURE

Withington offers pupils a continuous and supportive journey from Junior School through to the Sixth Form. At every stage, the school combines academic challenge with dedicated pastoral care and opportunities to develop confidence, curiosity and a strong sense of community.

JUNIOR SCHOOL

Pupils begin their Withington journey in a welcoming environment that encourages confidence, curiosity and independence. Teachers get to know each pupil well personally and academically, whilst specialist teaching in subjects such as IT, Music and Languages, and well-used outdoor spaces, enrich learning. The House system, varied activities and wraparound care help build a strong sense of belonging and community, with Form Tutors providing consistent support and guidance. Outdoor play and learning form an important part of daily life.

SENIOR SCHOOL

As pupils move into the Senior School, they enjoy a broad curriculum whilst having opportunities in sport, music, drama and a wide range of clubs. The House system, dedicated form time and assemblies create strong friendships and allow for personal growth, whilst trips, visiting speakers and enrichment activities broaden horizons. Academic challenge is balanced with strong pastoral support from Heads of Year and Form Tutors, and pupils are encouraged to discover and develop their talents both in and beyond the classroom within a caring environment that celebrates individual achievement.

SIXTH FORM

In the Sixth Form, pupils join a close-knit community where they are encouraged to excel whilst taking on new challenges. Small classes, a wide choice of A Levels, the Extended Project Qualification and a varied enrichment programme prepare pupils for life beyond school. Sixth Formers take on leadership roles, support younger pupils and contribute to the wider life of the school, with many progressing to Russell Group universities and other competitive courses.

"Withington's motto is 'Ad lucem' (towards the light), a most fitting way of encapsulating the standard of education at this remarkable school. It's an inspiring place where very able girls who thrive on being fully engaged in a broad and stimulating curriculum will shine brightly."

The Good Schools Guide

ACADEMIC SUCCESS

A genuinely outstanding school isn't judged solely on its results and league tables.

That's why a Withington education is about so much more than academic performance. However, we can't help but feel a deep pride in the remarkable results achieved by our students. They're a credit to our dedicated staff - and, most importantly, the results are a testament to our wonderful girls.

But please don't just take our word for it. We've been named **Independent School of the Year for Academic Performance in the North West** in the prestigious Sunday Times Parent Power Schools Guide 2026. It's our seventh consecutive year of receiving awards from The Sunday Times, including being named as **North West Independent Secondary School of the Decade in 2021**.

AMBITIOUS ATTITUDE

When our girls leave us to continue their educational journey, we're delighted to see that 80% of leavers gain places on their preferred degree courses at their chosen universities. We're proud of each and every student. The breadth of subjects our students progress to study reflects the wide range of opportunities they experience here at Withington.

The Good Schools Guide

CURRICULUM

Withington Girls' School offers an exceptional, carefully structured curriculum that supports pupils at every stage, from Junior School through to Sixth Form, combining academic rigour with creativity, curiosity and personal development.

JUNIOR SCHOOL

The Junior School Curriculum is based on the National Curriculum but extends beyond it to provide a broad, enriched educational experience that fosters curiosity and a love of learning. Pupils study a wide range of subjects alongside enhanced opportunities in physical education, music, languages, and creative thinking, with five PE lessons and two music lessons each week and a different language introduced in each year group. The curriculum places strong emphasis on personal development through PSHCE, encourages exploration of big ideas through dedicated thinking lessons, and is enriched by trips, outdoor learning, and close links with the Senior School, allowing access to specialist facilities and teaching.

SENIOR SCHOOL

The Senior School Curriculum provides a balanced and inspiring academic programme designed to help pupils discover their strengths and interests while building on elements of the National Curriculum that best support their learning. Pupils in Years 7-9 study a wide range of subjects including English, maths, sciences, languages, humanities, arts, design and technology, and physical education, with some lessons taught in smaller groups to enhance learning. At GCSE, core subjects such as English Language, English Literature, mathematics and science are complemented by optional courses including modern languages, arts, computer science and more, and all pupils also have timetabled PSHCE and PE. Technology is integrated purposely across the curriculum, with students using their own devices for learning and homework. As pupils progress, the curriculum becomes more specialised, preparing them for future study and careers through a combination of academic rigour and broader personal development.

SIXTH FORM

The Sixth Form Curriculum allows students aged 16-19 to specialise in subjects they are most passionate about by choosing to study three or four A Levels from a broad list that includes sciences, languages, humanities, arts, maths and more. Students are encouraged to take the Extended Project Qualification (EPQ) alongside their A Levels to pursue independent research in an area of personal interest, and there are extension sessions for those applying to highly competitive university courses or wanting to go beyond standard A Level content. Learning is enriched by trips, conferences and extra-curricular opportunities.

CO-CURRICULAR

Our broad curricular and co-curricular programmes support pupils in developing confidence, creativity, and a lifelong love of active engagement, whether through sport, music, drama, or a wide range of other opportunities, while fostering an understanding that a balanced, healthy lifestyle underpins wellbeing in all its forms.

We believe that co-curricular activities are key to a full and rounded education, contribute to physical and mental wellbeing and help our pupils to develop confidence and skills in creativity, communication, time management, leadership, critical thinking and resilience.

An extraordinary array of clubs and societies means there is something for everyone, from coding to garage band, photography to sign language and much more in between.

Enquiring minds can dig deeper into a subject that ignites their interest and engages them beyond the curriculum through our clubs. And of course, there is the opportunity to take the lead by joining a committee, running activities for younger pupils or by starting a new club or society.

Clubs meet at lunch time or after school and many of the school buses provide a late service to make taking part easy.

COMMUNITY & PARTNERSHIPS

As a forward-thinking, outward-looking school, our ethos of respect for self, respect for others and personal responsibility underpins our connections beyond the school gates.

We have a strong track record of delivering sustained, mutually beneficial partnerships with state schools and community organisations that benefit local, national and international communities. Hundreds of pupils each year benefit from enterprising, fun and engaging activities that develop their skills and knowledge while forging new experiences and friendships.

Locally, our partnerships create meaningful impact across Manchester and beyond. One of our longest running programmes, SHiNE Together, provides Saturday morning classes for boys and girls in Years 5 and 6 in an exciting range of subjects. Our musical partnership, Manchester Sings, brings together hundreds of children from our region to celebrate music and recognise the power of community. Meanwhile, our Science Communicators - Sixth Form scientists who deliver exciting

science shows and activities to primary and secondary school partners - inspire younger audiences while developing valuable communication and personal skills alongside their subject knowledge.

Looking ahead, Future Focus represents our commitment to empowering the next generation of young women. This series of conferences aims to inspire confidence, develop self-esteem and improve mental health - equipping participants with essential skills to succeed and flourish in their future lives and careers.

Our reach extends far beyond the UK through our transformative Gambia programme, which has developed over the last 20 years to advance educational opportunities in remote rural locations. We have established a strong partnership with the Mama Tamba Nursery School in Illiasa, a small village in inland Gambia, where we are guided by local contacts who work with village elders to assess needs and advise how we can best support the community.

"Leaders provide a warm, caring and supportive environment. The school has a clear sense of community."

"Pupils reported that if they have any concerns, they are able to access the pastoral team easily, and staff consistently make time to speak with them when needed. They described staff as welcoming and approachable, stating that they never feel unable to speak to someone. In December 2025, Withington was named Northwest Independent School of the Year for Academic Excellence. This marked the seventh consecutive year the school has received an award from The Sunday Times, including being named as North West Independent Secondary School of the Decade in the 2021 edition of the Schools Guide.

GOOD SCHOOLS GUIDE REVIEWS

Junior School - Last word

"Withington Girls' Junior School ticks an awful lot of boxes. Pupils have to be bright and able to work at a fast pace, but if this is your daughter then the teaching, environment, extracurricular opportunities and sheer exuberance and chutzpah of this place will open doors and opportunities. What's not to like?"

Senior School - Last word

"Withington's motto is 'Ad lucem' (towards the light), a most fitting way of encapsulating the standard of education at this remarkable school. It's an inspiring place where very able girls who thrive on being fully engaged in a broad and stimulating curriculum will shine brightly."

TATLER SCHOOLS GUIDE 2026

"Withington is an undeniably academic establishment: its most recent results saw more than 40 per cent of A-levels graded A, and 55 per cent of GCSEs scoring coveted nines. But if the school encourages students to succeed, it isn't afraid of letting them fail so long as they've had a go.*

And have a go they do: netball and lacrosse are strong and competitive; there are opportunities to practise yoga and dance; and the thriving and eclectic array of clubs, which includes Model United Nations, basketball and an electric harp ensemble, is much-loved by the children, with one saying: 'The number of extracurriculars is massive. I'm constantly wondering what else I can do - although with everything available, I'm never stumped.'"

WELLBEING AWARD FOR SCHOOLS

Withington has earned the Wellbeing Award for Schools (WAS), a national accreditation that recognises our school's commitment to supporting the wellbeing of pupils and staff. The report indicates that Withington demonstrates a mature, embedded and evolving wellbeing culture.

Pupils reported that if they have any concerns, they are able to access the pastoral team easily, and staff consistently make time to speak with them when needed. They described staff as welcoming and approachable, stating that they never feel unable to speak to someone.

Parents shared that they continue to be positively surprised by the breadth and quality of support offered. Although the school is widely recognised for its academic success, they highlighted that it also actively celebrates culture and fosters a strong sense of community.

Staff reported that wellbeing is embedded throughout the entire employee lifecycle. New staff receive a thorough induction that covers all relevant aspects of school life, and additional lunchtime sessions are available during their first term to support transition and integration.
