LEGISLATION & STATUTORY GUIDANCE

This policy is based on the Department for Education's (DfE's) statutory guidance [Keeping Children Safe in Education \(2025\)](#) and [Working Together to Safeguard Children \(2023\)](#), the [Maintained Schools Governance Guide](#) and [Academy Trust Governance Guide](#). We comply with this guidance and the arrangements agreed and published by our 3 local safeguarding partners (see section 3).

This policy is also based on the following legislation:

- › Section 175 of the [Education Act 2002](#), which places a duty on schools and local authorities to safeguard and promote the welfare of pupils
- › [The School Staffing \(England\) Regulations 2009](#), which set out what must be recorded on the single central record and the requirement for at least 1 person conducting an interview to be trained in safer recruitment techniques
- › [The Children Act 1989](#) (and [2004 amendment](#)), which provides a framework for the care and protection of children
- › Section 5B(11) of the Female Genital Mutilation Act 2003, as inserted by section 74 of the [Serious Crime Act 2015](#), which places a statutory duty on teachers to report to the police where they discover that female genital mutilation (FGM) appears to have been carried out on a girl under 18
- › [Statutory guidance on FGM](#), which sets out responsibilities with regards to safeguarding and supporting girls affected by FGM
- › [The Rehabilitation of Offenders Act 1974](#), which outlines when people with criminal convictions can work with children
- › Schedule 4 of the [Safeguarding Vulnerable Groups Act 2006](#), which defines what 'regulated activity' is in relation to children

- › [Statutory guidance on the Prevent duty](#), which explains schools' duties under the Counter-Terrorism and Security Act 2015 with respect to protecting people from the risk of radicalisation and extremism
- › [The Human Rights Act 1998](#), which explains that being subjected to harassment, violence and/or abuse, including that of a sexual nature, may breach any or all of the rights which apply to individuals under the [European Convention on Human Rights](#) (ECHR)
- › [The Equality Act 2010](#), which makes it unlawful to discriminate against people regarding particular protected characteristics (including disability, sex, sexual orientation, gender reassignment and race). This means our governors and headteacher should carefully consider how they are supporting their pupils with regard to these characteristics. The Act allows our school to take positive action to deal with particular disadvantages affecting pupils (where we can show it's proportionate). This includes making reasonable adjustments for disabled pupils. For example, it could include taking positive action to support girls where there's evidence that they're being disproportionately subjected to sexual violence or harassment
- › [The Public Sector Equality Duty \(PSED\)](#), which explains that we must have due regard to eliminating unlawful discrimination, harassment and victimisation. The PSED helps us to focus on key issues of concern and how to improve pupil outcomes. Some pupils may be more at risk of harm from issues such as sexual violence; homophobic, biphobic or transphobic bullying; or racial discrimination
- › The [Childcare \(Disqualification\) and Childcare \(Early Years Provision Free of Charge\) \(Extended Entitlement\) \(Amendment\) Regulations 2018](#) (referred to in this policy as the "2018 Childcare Disqualification Regulations") and [Childcare Act 2006](#), which set out who is disqualified from working with children
- › This policy also meets requirements relating to safeguarding and welfare in the [statutory framework for the Early Years Foundation Stage](#)

Under the Education Act 2002, schools have a duty to safeguard and promote the welfare of their pupils and are committed to the guidance set out in 'Working Together to Safeguard Children December 2023' and 'KCSiE 2025'. Our policy ensures that we comply with our Statutory Duties (Appendices A & B)

Our policy takes account of non-statutory guidance issued by the DfE and other relevant organisations (Appendix C) in addition to guidance issued by the Greater Manchester Combined Authority, the Manchester Safeguarding Partnership (MSP) and Manchester Local Authority, especially Education, Children's Services and Community Safety (MCC)

Our policy ensures that we work in partnership with other organisations, where appropriate, to identify any concerns about child welfare and take action to address them and that we comply with local policies, procedures and arrangements (Appendix E)

Our policy complements and supports other relevant school policies.

Our policy is regularly reviewed and we are responsive to new guidance and legislation and to promoting the safety of our staff and pupils in crisis situations.

KCSiE - Part One / Annex A/ Annex B

In addition to this policy, all staff should be aware of the sections from KCSiE relevant to their role.

Governing bodies should ensure that staff who work directly with children read **at least** Part One of the guidance, Annex A.

Staff who do not work directly with children should read either Part One or Annex A.

Governors should read the whole of the guidance to ensure compliance and to facilitate effective monitoring of safeguarding in the school.

Other sections of the guidance may be pertinent to non-teaching staff with particular responsibilities, such as HR, and governing bodies should decide the appropriate reading for these groups.

1. INTRODUCTION

Through this policy we aim to create and maintain a safe learning environment where all children and adults feel safe, secure and valued and know they will be listened to and taken seriously.

This policy has been developed to ensure that all adults in our school, including regular staff, supply staff, volunteers, visitors and contractors are working together to safeguard and promote the welfare of children and young people and to identify and address any safeguarding concerns and to ensure consistent good practice.

Our approach is child-centred,

*'Safeguarding and promoting the welfare of children is **everyone's** responsibility. **Everyone** who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all practitioners should make sure their approach is child-centred. This means that they should consider, at all times, what is in the **best interests** of the child.'*
(KCSiE, Part 1.2)

Our governing body ensures they facilitate a whole school or college approach to safeguarding. This means involving everyone in the school or college, and ensuring that safeguarding, and child protection are at the forefront and underpin all relevant aspects of process and policy development. Ultimately, all systems, processes and policies should operate with the **best interests** of the child at heart.

Safeguarding and promoting the welfare of children and young people goes beyond implementing basic child protection procedures. The aims of this policy are in accordance with both our Mission Statement and our Equal Opportunities Policy and it is an integral part of all of our activities and functions.

DEFINITIONS:

Safeguarding and promoting the welfare of children means:

- › Providing help and support to meet the needs of children as soon as problems emerge
- › Protecting children from maltreatment whether that is within or outside the home, including online
- › Preventing impairment of children's mental and physical health or development
- › Ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- › Taking action to enable all children to have the best outcomes

Child protection is part of this definition and refers to activities undertaken to protect specific children who are suspected to be suffering, or likely to suffer, significant harm. This includes harm that occurs inside or outside the home, including online.

Abuse is a form of maltreatment of a child, and may involve inflicting harm or failing to act to prevent harm. Appendix 1 explains the different types of abuse.

Neglect is a form of abuse and is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Appendix 1 defines neglect in more detail.

Sharing of nudes and semi-nudes (also known as sexting or youth-produced sexual imagery) is where children share nude or semi-nude images, videos or live streams. This also includes pseudo-images that are computer-generated images that otherwise appear to be a photograph or video.

Children includes everyone under the age of 18.

The following 3 **safeguarding partners** are identified in Keeping Children Safe in Education (and defined in the Children Act 2004, as amended by chapter 2 of the Children and Social Work Act 2017). They will make arrangements to work together to safeguard and promote the welfare of local children, including identifying and responding to their needs:

- › The local authority (MCC LA)
- › Integrated care boards (previously known as clinical commissioning groups) for an area within the LA
- › The chief officer of police for a police area in the LA area

Victim is a widely understood and recognised term, but we understand that not everyone who has been subjected to abuse considers themselves a victim, or would want to be described that way. When managing an incident, we will be prepared to use any term that the child involved feels most comfortable with.

Alleged perpetrator(s) and **perpetrator(s)** are widely used and recognised terms. However, we will think carefully about what terminology we use (especially in front of children) as, in some cases, abusive behaviour can be harmful to the perpetrator too. We will decide what's appropriate and which terms to use on a case-by-case basis.

 - ensure that staff are supported during the referrals processes, and
 - support staff to consider how safeguarding, welfare and educational outcomes are linked, including to inform the provision of academic and pastoral support

- Understand the views of children
 - encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, and in any measures the school/college may put in place to protect them, and,
 - understand the difficulties that children may have in approaching staff about their circumstances and consider how to build trusted relationships which facilitate communication

In addition, to be able to respond to the specific needs of children in Manchester, the DSL will

- Ensure that all staff with specific responsibility for safeguarding children, including the named DSL, receive the appropriate funding, training, resources and support needed to undertake this role. Access to professional supervision is recommended practice. At Crowcroft Park regular supervision is provided by the DSL team to one another.
- Specify the roles and responsibilities of Safeguarding Team members as applicable, including staff with other key related roles including SENCO, Attendance Lead, Designated Person for Looked After Children, Mental Health Lead
- Activate the escalation process where plans, partners or processes are not improving the situation or outcome for a child

3. TRAINING AND AWARENESS RAISING

- 3.1 In accordance with KCSiE 2025, all new staff and regular volunteers will receive appropriate safeguarding information during induction (including digital safeguarding and their responsibilities in relation to filtering and monitoring) and be made aware of the systems within the school/college which support safeguarding. This training will be regularly updated
- 3.2 All staff must ensure that they have read and understood KCSiE: Part One/Annex A and/or Annex B.
- 3.3 All staff will receive child protection training every 2 years and at least an annual update which includes basic safeguarding information about our policies and procedures, signs and symptoms of abuse (emotional and physical), indicators of vulnerability to exploitation and radicalisation, how to manage a disclosure from a child as well as when and how to record a concern about the welfare of a child, with regular updates in relation to local and national changes.
- 3.4 All staff members will receive training and updates around digital safeguarding and their role and responsibility in relation to filtering and monitoring as required, providing them with relevant skills and knowledge to safeguard children effectively.
- 3.5 By training and responding to concerns on a daily basis, staff will be provided with the opportunity to contribute to and shape safeguarding arrangements and the child protection policy.
- 3.6 All interview panels will include at least one member that has completed full Safer Recruitment training within the last 3 years or Safer Recruitment Refresher training, if the former has already been undertaken.
- 3.7 All staff need to understand the impact mental health problems may have on all aspects of safeguarding including the relevance of Adverse Childhood Experiences (ACEs) and the impact of trauma on children and young people and this is included in our training programme.

4. SAFEGUARDING/CHILD PROTECTION POLICY & PROCEDURES

4.1 PUPIL VOICE

Children are encouraged to contribute to the development of policies and share their views. This happens through pupil voice surveys and feedback from our pupil leaders.

4.2 POOR ATTENDANCE/ABSENT CHILDREN

We adopt MCC's updated Attendance Policy and Attendance Strategy and reflect these in our own policies. We attend targeted support meetings related to attendance when required.

- 4.2.1 We view poor attendance as a safeguarding issue and in accordance with our Attendance Policy, absences are rigorously pursued and recorded. This includes missing individual lessons, as well as being absent or late at Registration. Any concerning patterns are reviewed in partnership with the appropriate agencies, we take action to pursue and address all unauthorised absences in order to safeguard the welfare of children in our care.
- 4.2.2 Our Attendance Policy identifies how individual cases are managed and how we work proactively with parents/carers to ensure that they understand why attendance is important. In certain cases, this may form part of an Early Help Assessment (EHA) or a Parenting Contract.
- 4.2.3 We implement the statutory and LA requirements in terms of monitoring and will report children appropriately to the CME Team
- 4.2.4 We will follow the Emotional Barriers to School Attendance guidance (MCC, updated September 2025) to assist with strategies for supporting children and young people experiencing anxiety to return to school.
- 4.2.5 We will alert the relevant team or authority if a new child who has been expected to attend does not arrive on the due date. (This is in response to learning from local serious case reviews.)

4.3 ALTERNATIVE PROVISION (AP)

- 4.3.1 We will only place children in AP which is a registered provider and has been quality assured e.g. is on the MCC approved provider list or has been judged by Ofsted to be Good or better. We will obtain written confirmation from the AP that appropriate safeguarding checks have been carried out on individuals working at their establishment.
- 4.3.2. Children who require access to AP will have a personalised learning plan designed to meet their needs. AP placements will be regularly reviewed.

Our DSL will work together with the DSL at the AP to ensure effective sharing of information and that any safeguarding concerns are followed up appropriately. Our school will remain responsible for the safeguarding of any pupils placed in AP.

4.4 EXCLUSIONS

- 4.4.1. We comply with statutory regulations and with the LA Inclusion Policy (Appendix C).
- 4.4.2. The DSL will be involved when a fixed term or permanent exclusion is being discussed and any safeguarding issues will be considered. If there is an open EH, CiN or CP, the EH Practitioner or Social Worker will be informed.
- 4.4.3 We will work with the MCC Weapon Carrying in Schools and Colleges guidance (Appendix C) to assist in decision making around exclusion and other responses to carrying or using weapons in school.
- 4.4.4 Where it is felt that a child or young person is likely to be permanently excluded a multi-agency assessment will be instigated to ensure that there is improved understanding of the needs of the young person and their family and that the key agencies are involved

4.5 VULNERABLE GROUPS

- 4.5.1 We ensure that all key staff work together to safeguard vulnerable children. This includes those children causing concern but not yet reaching statutory intervention level as well as those children who are in receipt of statutory support. This takes place through our DSL/Pastoral meetings and case sampling.
- 4.5.2 Any child may benefit from early help at times, but all staff will be particularly alert to the potential need for early help for a child who:
- Is disabled or has certain health conditions and has specific needs
 - Has special educational needs (whether or not they have a statutory Education, Health and Care Plan)
 - Has a mental health need
 - Is a young carer
 - Is showing signs of being drawn in to anti-social or criminal behavior, including gang involvement and association with organised crime groups or county lines
 - Is frequently missing/goes missing from care or from home
 - Is at risk of modern slavery, trafficking, sexual or criminal exploitation
 - Is at risk of being radicalised or exploited
 - Has a family member in prison, or is affected by parental offending
 - Is in a family circumstance presenting challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse
 - Is misusing drugs or alcohol themselves
 - Has returned home to their family from care

- Is at risk of 'honour'- based abuse such as Female Genital Mutilation or Forced Marriage
 - Is a privately fostered child
 - Is persistently absent from education, including persistent absences for part of the school day
- Additionally, these children will also be considered
- International new arrival, refugee or asylum seeker
 - Looked after, previously looked after or under a special guardianship order.
 - Has or has had a social worker
 - LGBT children
 - Has the potential for adultification

4.5.3. Children with special educational needs and disabilities (SEND) can face additional safeguarding challenges. All staff are aware that additional barriers can exist when recognising abuse and neglect in this group of children. These can include:-

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration
- Being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children
- The potential for children with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs and
- Communication barriers and difficulties in managing or reporting these challenges.

4.4.5 Mental health problems can, in some cases, be an indicator that a child has suffered, or is at risk of suffering abuse, neglect or exploitation. We have clear systems and processes in place for identifying possible mental health problems, including routes to escalate and clear referral and accountability systems.

4.5.5. We ensure that staff consider the context in which incidents occur and whether wider environmental factors (extra-familial harm) are present in a child's life that are a threat to their safety and/or welfare.

4.5.6. We ensure that appropriate staff have the information they need in relation to a child's looked after legal status and regarding a child who was previously looked after or is in kinship care. We work with relevant social workers and the Virtual School

4.5.7 Where children have or have had a social worker, we will work alongside the social worker to ensure there is an education focus in the plan for the child.

4.6 CHILD ON CHILD ABUSE (KCSiE, Part 5)

- 4.6.1 All our staff recognise that children are capable of abusing their peers, including online.
- 4.6.2 Our separate Child on Child Abuse Policy clearly outlines our procedures and approach to this issue.

4.7 ELECTIVE HOME EDUCATION

- 4.7.1 We understand the variety of reasons why some parents/carers would wish to home educate their child/ren and support this where the child's best education is at the heart of the decision.
- 4.7.2 We also understand that by being educated at home, some children are less visible to the services that are there to keep them safe and supported in line with their needs
- 4.7.3 If a parent/carer informs us of their **intention** to remove their child/ren from school, we will aim to co-ordinate a meeting between ourselves, parents/carers (and other key professionals if relevant) to ensure that the best interests of the child have been considered, especially if the child has SEND, is vulnerable or has a social worker, **before** the final **decision** is made.
- 4.7.4 We will inform Manchester LA of all deletions from the admission register when a child is taken off-roll and we understand that a child should be removed from roll as soon as the parent has informed us of their decision.
- 4.7.5 We are familiar with the guidance from DfE outlining the roles and responsibilities of the LA in relation to Elective Home Education

4.8 COMMUNITY SAFETY

4.8.1 Serious violence

We are aware of the indicators and risk factors which may signal that children are at risk from, or are involved with, serious violent crime.

- 4.8.2 We update our awareness based on new information regarding trends, modes of operation and language/slang when provided by partner agencies

4.8.3 Child abduction and community safety incidents

We will support children by building on their confidence and ability to deal with challenging situations to enable them to keep themselves safe. This takes place through our Whole Child curriculum, pupil leadership groups and Project Chameleon.

- 4.8.4 Our response to children carrying knives or other weapons in school and in situations out of school is aligned to the Manchester Knife and Weapon Carrying in

Schools and Colleges Guidance (Knife Crime Protocol) in which we take a holistic and measured approach on a case by case basis to such incidents in and out of school.

5 . CASE MANAGEMENT, RECORD KEEPING & MULTI-AGENCY WORKING

5.1 5.1 KEEPING RECORDS

All safeguarding records are stored on CPOMs.

5.1.1 We keep and maintain up to date information on children on the school roll including where and with whom the child is living, attainment, attendance, referrals to and support from other agencies. The record will also include a chronology of any other significant event in a child's life and up to date contact details for adults who have day to day care of the child.

5.1.2 We keep copies of all referrals to Children and Families Services; the Early Help Hub and any other agencies related to safeguarding children.

5.1.3 We keep our safeguarding records secure.

5.1.4 We send a pupil's child protection or safeguarding file separately from the main file to a new establishment if they leave as soon as possible. We keep a copy of the file in accordance with our Records Policy (See Appendix E) and statutory and LA Guidance (See Appendices A, B & D).

5.2 RECORDING AND REPORTING CONCERNS

5.2.1 All staff, volunteers and visitors have a responsibility to report any concerns about the welfare and safety of a child, and all such concerns must be taken seriously (Appendix A). If a concern arises all staff, volunteers and visitors must:

- Speak to the DSL or the person who acts in their absence
- Agree with this person what action should be taken, by whom and when it will be reviewed
- Record the concern using our safeguarding recording system

All staff should report concerns directly through CPOMs, keeping information factual and providing full detail. Where concerns are of a very urgent nature (e.g. a direct allegation of abuse; evidence of a non-accidental injury or a child in fear of abuse) the DSL should also be alerted verbally to the CPOMs notification (particularly if the information comes to

light later in the school day). Visitors may report concerns verbally to a member of the DSL team.

5.3 WORKING WITH PARENTS/CARERS

- 5.3.1 Our responsibility is to safeguard and promote the welfare of all the children in our care. We aim to do this in partnership with our parents/carers and would expect them to provide up-to-date contact details, including at least 2 emergency contacts.
- 5.3.2 In most cases parents/carers will be informed when concerns are raised about the safety and welfare of their child and given the opportunity to address any concerns raised.
- 5.3.3 We aim to engage with parents/carers through the LA Early Help processes, including holding strength-based conversations.
- 5.3.4 We will inform and gain consent from parents/carers, if possible, if a referral is to be made to Children's Social Care or any other agency **unless it is believed that by doing so would put the child at risk** e.g. in cases of suspected sexual abuse. We will record the reasons if consent is not gained.
- 5.3.5 In such cases the DSL or Headteacher will seek advice from Children's Social Care AGS.

5.4 MULTI-AGENCY WORKING

- 5.4.1 We will develop effective links with other relevant agencies and co-operate as required with any enquiries regarding child protection issues.
- 5.4.2 We will develop effective links with the Early Help Hubs and carry out an Early Help Assessments (EHA), as appropriate.
- 5.4.3 We will notify the named Social Worker if:
- A child subject to a child protection plan is at risk of permanent exclusion
 - There is an unexplained absence of a child who is subject to a child protection plan
 - It has been agreed as part of any child protection plan or core group plan.
 - We receive an Operation Encompass notification and believe the social worker may not be aware of the circumstances
- 5.4.4. We will regularly review concerns, if necessary, as detailed in KCSiE and will follow LA and MSP procedures if there is a need to re-refer or

to escalate.

5.5 CONFIDENTIALITY & INFORMATION SHARING

- 5.5.1 Staff will ensure that confidentiality protocols are followed and under no circumstances will they disclose any information about children outside of their professional role.
- 5.5.2 Information about children will only be shared with other members of staff on a need-to-know basis
- 5.5.3 All staff and volunteers understand that they have a professional responsibility to share information with other agencies, in the best interests of the child's safety, welfare and educational outcomes. This is a matter of routine.
- 5.5.4 We have arrangements in place that set out clearly the process and principles for sharing information within school and with the three safeguarding partners, other organisations, agencies and practitioners as required. This includes an agreed rationale for gaining consent, when and what to share, when and what not to share and systems for recording these decisions.
- 5.5.5 We understand that the Data Protection Act 2018 and UK GDPR do not prevent the sharing of information for the purposes of keeping children safe. Fears about sharing information must not be allowed to stand in the way of the need to safeguard and promote the welfare and protect the safety of children. (KCSiE Part 2)

5.6 CHILD PROTECTION (CP), CHILD IN NEED (CiN) & TEAM AROUND THE CHILD/FAMILY MEETINGS AND CONFERENCES

- 5.6.1 A child protection conference will be held by Social Care if it is considered that the child is suffering or at risk of significant harm.
- 5.6.2 We will attend and contribute to initial and review CP conferences, CiN conferences and relevant multi-agency meetings, including core groups. If meetings are held in the school holidays, a member of the DSL will attend (online or in person) or will request support from the MCC safeguarding team if attendance is not possible.
- 5.6.3 Members of staff who are asked to attend a child protection conference or other core group meetings (either in person or virtually) about an individual pupil/family will need to have as much relevant updated information about the child as possible and will send a report, using the most up-to-date proforma to the Chair within the required timescales, at least 48 hours before the meeting.

5.6.4 Our reports will always include the voice of the child, which is especially important where there may be barriers to communication.

5.6.2 We will aim to discuss and share reports with the parents/carers before the conference.

5.6.3 All relevant staff will be confident in using the tools which are part of Social Care's refreshed approach.

5.7 CONCERNS/DISCLOSURES BY CHILDREN, STAFF & VOLUNTEERS

5.7.1 Any concern, disclosure or expression of disquiet made by a child will be listened to seriously and acted upon as quickly as possible to safeguard his or her welfare.

5.7.2 All staff and volunteers must be clear with children that they cannot promise to keep secrets.

5.7.3 We will make sure that the child or adult who has expressed the concern or made the complaint will be informed not only about the action to be taken but also where possible about the length of time required to resolve the complaint.

5.7.4 We will endeavour to keep the child or adult informed about the progress of the complaint/expression of concern.

5.8 LEARNING FROM SERIOUS CASES

5.8.1 MSP will always undertake a child practice review (CPR) previously called a serious case review (SCR) when a child dies (including death by suicide) and abuse or neglect is known or suspected to be a factor in their death. The purpose of the CPR is to:

- Find out if there are any lessons to be learnt from the case about how local professionals and agencies work together to safeguard and promote the welfare of children and young people
- Identify what those lessons are, how they will be acted on and what is expected to change as a result of the serious case review.
- Improve inter-agency working to better safeguard and promote the welfare of children and young people

5.8.2. If required, we will provide an individual management report for a CPR and will cooperate fully with implementing outcomes of the review including reviewing policy, practice and procedures as required.

- 5.8.3** Our DSL will keep up to date with the findings from CPR and other learning reviews nationally and in Manchester, share the learning and review our safeguarding procedures if relevant.

6. THE CURRICULUM

We are committed to promoting emotional health and wellbeing and to supporting the development of the skills needed to help keep children safe and healthy. This includes face to face teaching, blended learning and online learning as needed in response to any crisis situation that may arise.

- 6.1 All children have access to an appropriate curriculum, differentiated to meet their needs. They are encouraged to express and discuss their ideas, thoughts and feelings through a variety of activities and have access to a range of cultural opportunities which promote the fundamental British values of tolerance, respect and empathy for others.
- 6.2. This enables them to develop the necessary skills to build self-esteem, respect others, support those in need, resolve conflict without resorting to violence, question and challenge and make informed choices in later life.
- 6.3.1 Relationships Education, Relationships and Sex Education (RSE) and Health Education along with Personal Social and Health Education (PSHE) lessons will provide opportunities for children and young people to discuss and debate a range of subjects including lifestyles, family patterns, religious beliefs and practices and human rights issues.
- 6.3 We take account of the latest advice and guidance provided to help address specific vulnerabilities and forms of grooming and exploitation e.g. Domestic Abuse, Child Sexual Exploitation, Peer on Peer/Child on Child Abuse, Radicalisation, 'Honour-based' Abuse, including Forced Marriage, Female Genital Mutilation & breast ironing, Modern Slavery and County Lines.
- 6.4 All children know that there are adults in our school whom they can approach in confidence if they are in difficulty or feeling worried and that their concerns will be taken seriously and treated with respect. Posters of the DSL team are displayed around the school.
- 6.5 Children are encouraged to contribute to the development of policies through the pupil leadership roles.

- 6.6 Children are taught about safeguarding including online safety and for some children, this will take a more personalised or contextualised approach, such as more vulnerable children, victims of abuse and some SEND children.
- 6.7 We have a clear set of values and standards, upheld and demonstrated throughout all aspects of school/college life.
- 6.8 We have a culture of zero tolerance for sexism, misogyny/misandry, homophobia, bi-phobic and sexual violence or harassment

7 DIGITAL SAFEGUARDING

- 7.1 Digital safety is a safeguarding issue, and we understand that children must be safeguarded from potentially harmful and inappropriate online material. Our whole school/college approach empowers us to protect and educate pupils/students and staff in their use of technology and establishes mechanisms to identify, intervene in and escalate any concerns where appropriate. The purpose of Internet use in our school/setting/college is to help raise educational standards, promote pupil achievement, and support the professional work of staff as well as enhance our management information and business administration.
- 7.2 The checklist to ensure compliance with Filtering and Monitoring standards is included as Appendix B
- 7.3 We consider the 4C areas of risk to inform our online safety policy and ensure this is a running and interrelated theme when developing other relevant policies and procedures.
- 7.4 The Internet is an essential element in 21st century life for education, business and social interaction and we have a duty to provide children with quality access to it as part of their learning experience.
- 7.5 Children at Crowcroft Park may not bring personal mobile smart phones and smart technology to school. Children and families must adhere to the respective Acceptable Use Policy.
- 7.6 We will ensure that appropriate filtering methods (without 'over-blocking') are in place to ensure that pupils are safe from all types of inappropriate and unacceptable materials, including terrorist and extremist material. Our filtering and monitoring standards apply to the use of generative AI in education. Our IT HLTA works in conjunction with our IT provider, concero and online safety consultant, Online Behaviours to ensure all statutory duties are met.

- 7.6 We ensure our monitoring system responds quickly to incidents, and they are escalated to those with a safeguarding responsibility
- 7.7 We use an appropriate level of security protection in order to safeguard our systems, staff and learners from evolving cyber-crime technologies and periodically review its effectiveness in ensuring cyber resilience in our school.
- 7.8 We will encourage children to use social media safely, including opportunities for them to think and discuss issues and to check their sources of information. We will keep abreast of new developments that may potentially harm our children.
- 7.9 We have separate acceptable use policies (AUPs) for both staff and children. This covers the use of all technologies and platforms used, both on and offsite.
- 7.10 We will complete online safety audits as appropriate to our needs and know where to access recommended models. We use 360 for this.
- 7.11 We work with parents to promote good practice in keeping children safe online, including to support their children learning at home. We provide annual workshops for parents as well as drop in support during parents' evenings and provide up to date information on website.
- 7.12 We ensure that all staff adhere to safe and responsible online behaviours when providing home learning and communicating with families. We do not generally communicate via email or online platforms.
- 7.13 As technology, and the risks and harms associated with it, evolve and change rapidly, we will carry out an annual review of our approach to online safety supported by an annual risk assessment that considers and reflects the risks our children face. (KCSiE)

8. SAFER RECRUITMENT & SELECTION OF STAFF

- 8.1 Our recruitment and selection policies and processes adhere to the DfE guidance, KCSiE and the LA model policy for Safer Recruitment (Appendices A & D)
- 8.2 Our safeguarding culture and vigilance, in conjunction with our policies and processes, will deter and prevent people unsuitable to work with children from applying or securing employment or volunteering opportunities at our school/college. These measures are outlined below and expanded in our Safer Recruitment Policy.

- All those involved with the recruitment and employment of staff to work with children have received appropriate safer recruitment guidance and at least one of the interview panel has completed safer recruitment training.
- Our job adverts will include safeguarding requirements and the schools /colleges commitment to safeguarding and promoting the welfare of children
- Our job adverts will make clear that safeguarding checks will be undertaken, including online checks for shortlisted candidates
- We understand the process around filtering offences
- Our application form will include the statement that it is an offence to apply for the role if an applicant is barred from engaging in regulated activity.
- We do not accept CVs in place of an application form.
- Shortlisted applicants will be asked to complete a self -declaration of their criminal record or information that would make them unsuitable to work with children
- Applicants must sign a declaration confirming information given is true
- References are obtained by the school/college before interview and open references are not acceptable
- Our selection techniques are pre-arranged, and questions structured to understand suitability, skills and motivation for the role
- We will investigate at interview if any concerns have come to light about the candidate through the self-declaration or online checks.
- We involve pupils/students in the process in a meaningful way
- All information in the decision-making process is recorded along with the decisions made
- Correct pre-employment checks are carried out and appropriately stored on the single central record
- We understand and complete appropriate processes to determine if there are any prohibitions, directions, sanctions disqualifications or restrictions related to the candidate
- We understand the check which needs to be made for individuals who have lived or worked outside the UK
- We adhere to duties which must be performed in relation to agency and third-party staff, contractors, trainees or student teachers, visitors and volunteers

- We remain vigilant about safeguarding beyond the recruitment process and ensure commitment is evident to the safety and welfare of our children as enshrined in our ethos
- 8.3 The Headteacher and Governing body will ensure that all external staff and volunteers, including out of hours organisations using our school site have been recruited safely, including DBS checks as appropriate.
- Our school site is not used for non-school activities.
- 8.4 The school maintains a single central record of all recruitment checks, updated and monitored at least termly, by senior leadership and governor.
- 8.5 The Governing Body will determine the frequency and need for renewal of DBS for existing staff. (It is considered good practice to renew the DBS for all staff every three years, in line with MCC local policy).
- 8.6 Trainee teachers will be checked either by the school or by the training provider, from whom written confirmation will be obtained.
- 8.7 Written notification will be requested from any agency or third party organisation used by us to confirm that the organisation has carried out the statutory recruitment checks.
- 8.8 We will not routinely keep copies of DBS certificates, either electronically or in paper files but if we have good reason to do so, these will not be kept for longer than six months
- 8.9 Risk assessments are carried out on all volunteer activities as required.

9. MANAGING ALLEGATIONS AND CONCERNS AGAINST STAFF, SUPPLY STAFF, VOLUNTEERS AND CONTRACTORS

- 9.1 We follow the DfE guidance KCSiE, Section 4, when dealing with allegations made against staff, supply staff, volunteers and contractors applying the appropriate level of concern criteria and managing accordingly
- 9.2 We work closely with the police, children's social care and MCC LADO when a risk of harm is indicated
- 9.3 The welfare of the child/ren is paramount when considering an allegation and before contacting the LADO we make careful enquiries to help determine facts and foundation to the allegation, aware of not jeopardising any future police investigation

- 9.4 We consider allegations that may meet the harms threshold and those allegations/concerns that do not, referred to as 'Low Level Concerns'. These are outlined in our Low Level Concerns Policy
- 9.5 The harms threshold indicates that a person would pose a risk of harm if they have-
- Behaved in a way that has harmed a child or may have harmed a child
 - Possibly committed a criminal offence against or related to a child
 - Behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children
 - Behaved or may have behaved in a way that indicates they may not be suitable to work with children (including behavior that may have happened outside school/college, known as transferable risk)
- 9.6 Our Managing Allegations Policy details the processes and responses to reporting harm threshold cases and also managing their conclusions.
- 9.7 Concerns that do not meet the harm threshold may include
- Suspicions or nagging doubts about a member of staff
 - Complaints
 - Disclosures made by child, parent/carer or another adult within or outside of school/college
 - Inappropriate conduct outside of work
 - Those raised during recruitment and vetting processes
- 9.8 Our open and transparent culture enables us to identify concerning, problematic or inappropriate behavior early thus minimising the risk of abuse
- 9.9 Although low level concerns may not meet the harm threshold, they are not insignificant.
- 9.10 All low level concerns are reported to the headteacher/principal and may also be self-referred (KCSiE provides further clarity on processes- 430-436)
- 9.11 Our Low Level Concerns Policy details the processes and conclusion of low level concerns and guidance about including information in references.
- 9.12 All allegations made against a member of staff, including supply staff, volunteers, contractors or security staff working on site, will be dealt with quickly and fairly and in a way that provides effective protection for the child while at the same time providing support for the person against whom the allegation is made.

9.13 We ensure that all staff are aware of how to raise a concern, including anonymously as a whistleblower: via email to the headteacher or following the Whistleblowing Policy.

9.14 Historic allegations will be referred to the police.

10.SAFETY ON & OFF SITE

10.1 Our site is secure with safeguards in place to prevent any unauthorised access and also to prevent children leaving the site unsupervised.

10.2 We have good up to date knowledge of our local area and any safeguarding risks to the wider community.

10.3 All visitors, including visiting speakers, are subject to our safeguarding protocols while on site. We will undertake an assessment of the educational value, age appropriateness and content of the visitor's itinerary.

10.4 Visitors who are in school in a professional capacity will have their ID checked and assurance sought that they have an appropriate DBS check

10.5 We will ensure that any contractor, or any employee of a contractor, who is to work in our school, has been subject to the appropriate level of DBS check. We are responsible for determining the appropriate level of supervision depending on the circumstances and set out our safeguarding requirements in any contacts between school and the contractor's organisation. We will always check the identities of contractors and their staff on arrival.

10.6 We do not hire our site for the delivery of external services.

10.7 We exercise due diligence to prevent any organisation or speaker from using our facilities to disseminate extremist views or radicalise pupils or staff. This includes seeking references from other local schools, discussing the content of talks and having a staff member present at all times.

10.8 We have a work experience placement policy and procedures in place. We will ensure that any person supervising a child on a placement has been subject to the appropriate level of DBS check.

10.9 All school visits are fully risk-assessed, and no child will be taken off-site without parental permission.

10.15 We have a Health & Safety policy for contacting parents and for reporting to the emergency services, including police and hospitals.

10.16 We have read and considered the MCC/One Education Critical Incident guidance, the DfE Emergency planning and response for education, childcare and children's social care settings and School and College Security GOV.UK

11 . COMPLEX SAFEGUARDING

Serious violence

- 11.1 We are aware of the indicators and risk factors which may signal that children are at risk from, or are involved with serious violent crime
- 11.2 We will support referrals to Engage panels by providing information about concerns and worries for children involved in ASB and on the edge of criminality, including whether interventions have already been put in place and their success or not.

Child Criminal Exploitation and Child Sexual Exploitation

11.2.1 Children's Social Care will refer cases of child exploitation, criminal or sexual, to the Complex Safeguarding Hub and we will contact the professionals' advice line for further support to hasten this process or seek guidance, as appropriate.

11.2.2 We understand that schools are one of many locations where children can be targeted and recruited into county lines and recognise additional specific indicators that may be present when a child is criminally exploited through involvement in county lines. (KCSiE, Annex B)

11.2.3 We are aware of the significantly low numbers of reported CCE/CSE cases for girls locally and remain vigilant in recognising the signs of involvement for both boys and girls

11.2.4 We are mindful of the language and descriptors used when discussing or referring CCE and CSE instances and avoid all victim blaming language.

11.2.5 We consider the use of the term 'gang' and only apply it to Organised Crime Gangs, not urban or street groups, although our children may perceive that they belong to, or associate with, a named 'gang'.

11.2.6 We will ask for help, support or recommendations with finding suitable outside presenters to deliver awareness and resilience programmes to help our children make good choices in the near and long term.

11.2.7 We are familiar with My Safety Planning approach for Child protection in extra-familial harm circumstances
