Welcome from the Headteacher

Dear Candidate

It gives me great pleasure to welcome you to Philips High School. I am extremely proud to be a member of the Philips High School community and work with so many talented young individuals. My vision is that our children receive the highest quality of education in a supportive, respectful and ambitious school environment.

Philips High School was originally founded as a grammar school in 1688 and to this day has retained some of the nostalgia, charm and high academic standards of the old school. When you first visit Philips High School, you immediately sense the warm welcoming atmosphere from our pupils and staff. This wonderful, vibrant community is a great place to learn and achieve. It is hard to find a school that educates the whole person both academically and pastorally.

Our curriculum is both broad and ambitious, rooted in unrivalled holistic excellence. We place equal importance on performing arts, the creative subjects, technology, academia and sport through a vast range of experiences, both inside and outside of the classroom. This fosters happy, confident and well-rounded young people.

We are a caring community; providing high challenge as well as significant support for our pupils. Everyone is welcome at Philips and our core values of Success, Together, Aspire, Respect (STAR) are embedded into the heart of our school.

I am committed to working in partnership with parents and know that by working together we will ensure that every child enjoys school, is happy, safe and has the opportunity to thrive and achieve their best. It is the quality of the relationships and the personalised approach that makes Philips High School successful. Our students are at the heart of everything we do; they enjoy school, are fulfilled, aspirational and form lifelong friendships.

If you are a strong team player who can think creatively and continually reflect on how to improve outcomes for young people, we would love to hear from you. In return, we offer you clear career pathways, excellent opportunities for professional development both in the school and the wider trust and commitment to promoting your wellbeing at work. We fully recognise that our staff are our greatest asset, and we work hard to support them.

We are delighted to be part of a family of schools within Oak Learning Partnership. Oak Learning Partnership is passionate about inclusion and improving the life chances of all children within the trust. As a school in the trust, we pride ourselves on being welcoming, with a strong emphasis on pastoral care, alongside a rigorous academic education tailored to the needs of the individual.

We're a growing partnership, with a strong sense of purpose and a belief that schools are at their best when they work together and support one another. We make the most of the benefits of being part of a family of schools but are also passionate about each of our schools retaining their own identity and individuality, with space to innovate.

Every role here matters. What you do will help shape lives. We don't expect perfection, but we do value commitment, kindness and a willingness to learn and grow.

Inclusion is at the heart of our trust

Our trust is cross phase and consists of primary, special and secondary schools. We have a vision to transform lives through a highly inclusive approach. We live by our strapline 'Inclusion is at the heart of our trust' and are compassionately rigorous and support all of our pupils to reach their full potential. We have unconditional positive regard, leave no one behind and everyone is welcome.

Our schools work closely with one another, they collaborate with purpose, support each other and share collective systems across both educational and business provisions. However, it's also important to us that each school has its own identity and individuality.

We make sure we focus on impact and ensure clarity and consistency from our leaders, always making sure common sense is at the heart of our decision making.

Our people matter; we understand that we can only achieve our vision by recruiting the right people and providing them with the support, training and time they need to allow them to flourish and be the best they can be. Whatever role an individual undertakes within our organisation, they are contributing to our collective aim of transforming lives. We invest heavily in our people, ensuring they feel valued and their wellbeing is always considered. We know that if staff feel valued and the impact they are having is recognised, they can perform at their best.

We are laying strong foundations for growing the trust and have a clear vision. This role is a key part of our growth strategy and is an excellent opportunity for the right candidate ready for their next step. We are a values driven organisation, highly ambitious, passionate about doing things with integrity and have a healthy sense of humour. If you want to make a difference to young people and join us at an exciting part of our journey, we'd love to hear from you.
