SEND SECONDARY TEACHER

Location:	School-Based
Hours of Work:	Monday to Friday, 08:15 to 16:00 Term Time plus Staff Directive Days
Salary:	Teacher Pay Scale – M1 to M6
Line Manager:	Headteacher/School Leadership Team

First Steps Together Group is a growing and ambitious group of independent schools committed to transforming outcomes for children and young people through exceptional education, relational practice and high expectations.

Our schools provide highly supportive, inclusive and aspirational learning environments for pupils with a range of additional needs, including SEND, SEMH and complex presentations. We are committed to creating safe, consistent and nurturing environments where pupils are supported to overcome barriers to learning, develop confidence and independence, and achieve their full potential.

We are seeking an experienced and committed Secondary SEND Teacher to provide high-quality, personalised teaching and learning for pupils with SEND. The successful candidate will deliver a broad and balanced curriculum, including accredited learning pathways, while developing key life and independence skills and embedding communication, emotional regulation and sensory support throughout the school day.

This is an opportunity to play a central role in a specialist education setting, working closely with teaching assistants, therapists, families and external professionals to ensure each pupil is supported to make meaningful progress from their individual starting point.

Role Overview

The Secondary SEND Teacher is responsible for planning, delivering and evaluating personalised learning for pupils with SEND, ensuring teaching is purposeful, accessible and closely aligned to individual needs, EHCP outcomes and developmental priorities.

The postholder will create a calm, structured and engaging learning environment using clear routines, visual supports and nurture-informed, trauma-aware practice. Teaching approaches, resources, the environment and pace will be adapted to meet a wide range of SEND profiles.

Working collaboratively with support staff and specialist professionals, the teacher will embed communication, regulation and independence throughout the school day, while maintaining high expectations for behaviour, learning, safeguarding and personal development.

Core Purpose of the Role

To provide high-quality, personalised teaching and learning for pupils with SEND, enabling each pupil to make meaningful progress from their individual starting point. The role will deliver a broad and balanced curriculum, support accredited learning pathways and develop communication, regulation, life and independence skills through structured, responsive and pupil-centred practice.

Key Responsibilities

Planning, Teaching and Learning

- Plan, deliver and review personalised learning programmes aligned to EHCP outcomes, individual starting points and developmental needs.
- Teach whole classes, small groups and individuals, adapting approaches, resources, environment and pace to meet a wide range of SEND profiles.
- Create a calm, structured and engaging classroom environment using clear routines, visual supports and nurture-informed, trauma-aware practice.

- Develop, implement and monitor Individual Education Plans (IEPs), ensuring targets are purposeful, functional and regularly reviewed.
- Embed communication development throughout the school day, using structured language, visual communication systems and AAC where appropriate.

Assessment, Progress and Personalised Learning

- Assess and track progress across subject learning, communication, emotional and social development, behaviour and independence skills.
- Identify barriers to learning using observation, informal assessment and analysis of pupils' engagement and responses.
- Maintain accurate records of progress, behaviour, achievement and learning, using assessment information to plan next steps.
- Contribute to Annual Reviews and provide high-quality evidence to support EHCP processes.
- Work collaboratively with parents and carers, sharing progress, strategies and areas of need to ensure consistent support across home and school.

Behaviour Support, Regulation and Safeguarding

- Establish and maintain a safe, predictable and emotionally supportive classroom culture that promotes regulation and wellbeing.
- Implement positive behaviour support approaches, including proactive regulation strategies, co-regulation and personalised sensory and behaviour interventions.
- Follow individual behaviour support plans and contribute to their ongoing review through observation and reflective feedback.
- Actively promote and uphold safeguarding procedures and report concerns promptly to the Designated Safeguarding Lead or Deputy DSL.

Teamwork, Families and Multi-Agency Working

- Lead and deploy classroom support staff effectively to ensure consistent implementation of communication, regulation and learning strategies.
- Collaborate with therapists and specialist professionals, including Speech and Language Therapy and Occupational Therapy, to embed integrated support within the curriculum.
- Contribute to meetings, professional reports, Annual Reviews and multi-disciplinary planning.
- Share effective strategies and resources to support whole-school consistency and best practice in SEND provision.

Safeguarding and Professional Responsibilities

- Actively promote and uphold the school's safeguarding policies and statutory responsibilities.
- Report safeguarding concerns promptly to the Designated Safeguarding Lead or Deputy DSL.
- Maintain accurate records, professional boundaries and confidentiality at all times.
- Participate in professional development, performance management and school improvement activity.
- Carry out other reasonable duties commensurate with the role as directed by the Headteacher/Head of School.

Success Criteria

- High-quality, personalised teaching is consistently planned and delivered with clear links to pupils' needs, EHCP outcomes and individual starting points.
- Pupils demonstrate meaningful progress across academic learning, communication, emotional and social development and independence.
- Assessment and evidence are used effectively to identify progress and inform next steps.
- The classroom environment is calm, structured, safe and responsive to pupils' communication, sensory and regulation needs.
- Support staff and specialist strategies are deployed consistently and effectively.
- Strong collaborative relationships are maintained with families, therapists and external professionals.
- Safeguarding practice is robust and embedded in everyday classroom practice.
