Dear Colleague

Welcome to St Luke's CE (VA) Primary School and thank you for your interest in us.

Our Christian Vision encapsulates our core beliefs as follows:

*At St Luke's, we are a community built on friendship, trust and compassion, where every member is supported to serve in God's world and live life to the fullest. Rooted in hope, truth and thankfulness, and guided by a spirit of forgiveness, peace, justice and courage, we are committed to living and learning together in faith. Inspired by Jesus' words in **John 10:10**, "I have come that they may have life, and have it to the full," we nurture an environment where children grow academically, spiritually and personally, becoming confident, caring individuals who flourish in all they do.*

St Luke's is a single form entry primary school which serves the Chadderton area of Oldham. We are a diverse and inclusive school with an increasing number of SEND needs.

At St Luke's we care for, nurture and develop the whole child while improving aspirations, learning and achievement for all. In addition to ensuring each student's academic potential, we also prepare them to be socially responsible citizens who can flourish in society and give back to their local community. We seek to remove any barriers of inequity, which prevent equality of opportunity so that all our children can aspire and be inspired to realise their dreams.

Our school has a strong sense of community, purpose and belonging. We value our pupils and recognise that success looks and feels different for each one of them. However, what is consistent is our team of passionate, enthusiastic and committed staff who work relentlessly in the pursuit of excellence for the pupils and community we serve.

We have a strong commitment and belief in developing staff at all levels. We seek to recruit and retain colleagues whose drivers match our school ethos and are committed to their own professional development. Successful candidates will receive a high-quality induction and continuous development programmes alongside opportunities to contribute to whole school and wider school impact projects throughout their careers.

I hope you find this application pack helpful in making your decision to apply for this exciting career opportunity. If you have any questions for us, do get in touch, we are always here to help.

I would like to thank you for your application, investment of time and - whatever the outcome - I wish you well in the future.

With warm regards,

Lee Bennett
