Curriculum Lead - Geography

Dear Colleague

Welcome to Kingsway Park High School and thank you for your interest in us.

Kingsway Park High School is proud to be a vibrant, inclusive and diverse school with approximately 1350 students, 47 different nationalities and 25 spoken languages. We have state-of-the-art facilities, and we provide an individualised and unique curriculum offer for all students regardless of their starting point, gender, ethnicity, faith or need.

We care for, nurture and develop the whole child while improving aspirations, learning and achievement for all. In addition to ensuring each student's academic potential, we also prepare them to be socially responsible citizens who can flourish in society and give back to their local community. We seek to remove any barriers of inequity, which prevent equality of opportunity so that all students can aspire and be inspired to realise their dreams.

Our school has a strong sense of community, purpose and belonging. We value our students and recognise that success looks and feels different for each one of them. However, what is consistent is our team of passionate, enthusiastic and committed staff who work relentlessly in the pursuit of excellence for the students and community we serve.

We have a strong commitment and belief in developing staff at all levels. We seek to recruit and retain colleagues whose drivers match our school ethos and are committed to their own professional development. Successful candidates will receive a high-quality induction, appraisal, continuous development programmes (including nationally recognised leadership qualifications), and opportunities to contribute to whole school impact projects throughout their Kingsway careers.

I hope you find this application pack helpful in making your decision to apply for this exciting career opportunity. If you have any questions for us, do get in touch, we are always here to help.

I would like to thank you for your application, investment of time and - whatever the outcome - I wish you well in the future.

Yours sincerely

Simon Ward
Headteacher

Background Information

Kingsway Park High School

Kingsway Park High School joined the Altus Education Partnership in February 2022. KPHS students live in and travel to us from communities all over Rochdale and the surrounding areas. We are very proud of the high-quality facilities, resources, and environment that we provide for both staff and students.

We hold our school values of **Trust, Professionalism, Integrity, Respect, Kindness and Effective Communication** at the core of everything we expect from our students. Students are awarded when they consistently demonstrate our values.

If you would like to visit the school to get a feel of who we are and where we are going, we would warmly welcome you.

Altus Education Partnership

Altus Education Partnership is a Multi Academy Trust and was established in 2017 through Rochdale Sixth Form College, an Ofsted Outstanding provider, and grew from the Trust's desire to improve education in the borough of Rochdale as a whole.

The Trust currently comprises five academies, including ourselves. The other four academies are:

- **Rochdale Sixth Form College**, opened in 2010 to address the significant underachievement in A level performance in the borough. Since then, it has dramatically raised achievement in the area and is recognised nationally as a centre of excellence. The College is Ofsted Outstanding, Sixth Form College of the Year 2021, and regularly ranks among the highest performing colleges in the country in both the DfE's Performance Tables and the National Achievement Rate Tables.
- **Edgar Wood Academy** opened in 2021 under Wave 13 of the Free Schools Programme. While the school was judged Requires Improvement at its first inspection, Ofsted has since recognised that the school is improving, and we are confident in the direction of travel. The Academy is building a strong reputation locally and benefits from a committed staff and leadership team focused on rapid progress.
- **Bamford Academy** is an Ofsted-rated Good primary school providing a caring and nurturing environment. It is a popular first choice for many families in the area.
- **Caldershaw Primary School** joined the Trust on 1 July 2025. It is Ofsted Outstanding and one of the most oversubscribed primary schools in Greater Manchester.

Altus is on the cusp of further growth, with three additional schools currently considering academisation in the autumn term.

We also benefit from strong local partnerships. Most notably, and uniquely within the post-16 sector, Altus has a Memorandum of Understanding with Hopwood Hall College, coordinating curriculum and supporting seamless transition for students into post-16 education.

Role Description

Job Title:	Curriculum Lead – Geography
Reports to:	Faculty Lead – Humanities
Staff Responsibility for:	Colleagues delivering Geography across Key Stages 3 and 4
Contract:	Full Time / Permanent
Salary:	Main/Upper Teacher Pay Scale / TLR2B
Start Date:	January 2027

Overall Purpose of the Post

We are seeking to appoint an ambitious and enthusiastic Curriculum Lead of Geography to provide strong subject leadership and drive the continued development of Geography at Kingsway Park High School. The successful candidate will be an excellent classroom practitioner with a genuine passion for their subject and the leadership skills, vision and determination to secure high-quality provision and excellent outcomes for students across Key Stages 3 and 4.

The Curriculum Lead will take responsibility for the strategic development of Geography, leading on curriculum design, teaching and learning, assessment and standards within the subject. They will ensure that the curriculum is ambitious, engaging and well sequenced, enabling students to develop secure geographical knowledge, understanding and skills while fostering curiosity about the world around them.

Geography has an important role in helping young people understand the relationships between people, places and environments, as well as the challenges and opportunities facing our changing world. The successful candidate will champion the subject across the school, promoting geographical enquiry, critical thinking and opportunities for students to apply their learning to real-world contexts.

The Curriculum Lead will establish high expectations for teaching, learning and student achievement, using assessment and performance information effectively to identify priorities and drive improvement. They will support and develop colleagues delivering Geography, promote consistency and high-quality practice, and ensure appropriate support and challenge are in place to enable all students to succeed.

This is an exciting opportunity for a confident and forward-thinking subject leader who wants to take ownership of Geography and shape its future at Kingsway Park High School. We are looking for someone with the energy, credibility and ambition to lead the subject effectively, inspire colleagues and students, and ensure Geography continues to develop as a strong and valued part of our curriculum.

Leadership Responsibilities

- Provide effective leadership and strategic direction for Geography, establishing high expectations for teaching, learning, curriculum and student outcomes across Key Stages 3 and 4.

- Develop, implement and regularly evaluate an ambitious and coherent improvement plan for Geography, informed by student outcomes, quality assurance and wider school priorities.
- Lead the development and implementation of the Geography curriculum, ensuring it is ambitious, well sequenced and appropriately challenging for all students.
- Ensure colleagues delivering Geography have a clear understanding of curriculum intent, subject content, assessment requirements and relevant examination specifications.
- Monitor standards of teaching, learning and student outcomes within Geography, identifying strengths and areas for development and taking timely and effective action where improvement is required.
- Analyse assessment and performance information to evaluate the progress and attainment of individuals and groups, identify priorities and implement appropriate strategies to improve outcomes.
- Ensure assessment within Geography is purposeful, consistent and used effectively to inform teaching, curriculum development and intervention.
- Maintain high expectations for student behaviour, engagement and achievement and ensure school policies and expectations are implemented consistently within the subject.
- Lead, support and develop colleagues delivering Geography through effective communication, collaboration, coaching, quality assurance and professional development.
- Ensure appropriate resources are available and used effectively to support high-quality curriculum delivery.
- Champion Geography across the school, promoting the value and relevance of the subject and seeking opportunities to strengthen student engagement, geographical enquiry and enrichment.
- Work collaboratively with other Curriculum Leads, faculty and senior leaders to contribute to whole-school improvement and ensure the school's vision, values and priorities are implemented consistently.
- Communicate effectively with parents/carers and relevant colleagues regarding student progress, achievement and any concerns requiring additional support.
- Work collaboratively with SEND, pastoral and other colleagues to ensure barriers to learning are identified and appropriate strategies are implemented for students requiring additional support.

Teaching and Learning Responsibilities

- Model consistently high-quality classroom practice and demonstrate strong subject knowledge and a passion for Geography.
- Plan and deliver engaging, challenging and inclusive lessons that enable students to develop secure geographical knowledge, understanding and disciplinary skills.
- Ensure the Geography curriculum is effectively mapped and sequenced across Key Stages 3 and 4, with clear progression in knowledge, understanding and geographical skills.
- Support colleagues to translate curriculum plans into effective classroom practice, ensuring appropriate challenge and support for all students.
- Promote teaching approaches that develop students' understanding of physical and human geography and the relationships between people, places and environments.
- Develop students' geographical enquiry, analytical and critical thinking skills, including their ability to interpret maps, geographical data and a range of sources of evidence.
- Promote meaningful opportunities for geographical fieldwork and the application of classroom learning to real-world contexts.
- Ensure teaching is responsive to students' different starting points and needs, including those with SEND and other identified barriers to learning.
- Establish a positive and purposeful learning environment in which students are encouraged to question, investigate, reflect and develop independence.
- Ensure assessment and feedback are used effectively and proportionately to identify misconceptions, inform

future teaching and enable students to understand how to improve.

- Evaluate the quality and impact of teaching within Geography through appropriate quality-assurance activities and use findings to support continuous improvement.
- Maintain a clear understanding of the strengths and development priorities within Geography and be able to articulate these effectively to senior leaders and other relevant stakeholders.
- Ensure students are appropriately prepared for internal and external assessment, including GCSE Geography examinations and associated fieldwork requirements.
- Promote an inclusive curriculum which reflects geographical diversity, challenges stereotypes and enables students to develop an informed understanding of different places, communities and perspectives.

Curriculum Leadership and Professional Development

- Lead regular subject development time, ensuring meetings have a clear focus on curriculum, pedagogy, student outcomes and improvement priorities.
- Attend and contribute effectively to Extended Leadership and other curriculum or strategic meetings as required.
- Lead and support the professional development of colleagues delivering Geography, identifying opportunities to strengthen subject knowledge and classroom practice.
- Engage actively in relevant subject networks, research and professional development to ensure curriculum and pedagogical practice remain current and effective.
- Reflect critically on own leadership and teaching practice and respond positively to feedback and identified areas for development.
- Contribute to whole-school CPL, sharing effective practice and subject expertise where appropriate.
- Support the development of Geography beyond the classroom through appropriate fieldwork, educational visits, enrichment and wider curriculum opportunities.

General Responsibilities

- Be an ambassador for Kingsway Park High School and consistently model and promote the school's vision, values and expectations.
- Establish and promote a culture of excellence, inclusion, equality and high expectations for all students.
- Make a positive contribution to the wider life and ethos of the school.
- Work collaboratively with colleagues across the school and contribute to the development, implementation and evaluation of school policies, practices and improvement priorities.
- Respond professionally and appropriately to unplanned situations, incidents and emergencies, prioritising the safety and wellbeing of students and staff.
- Attend meetings with parents/carers, external agencies and other professionals where appropriate to the role.
- Participate in the school's daily duty rota and other reasonable whole-school responsibilities.
- Support enrichment, trips, visits and other activities that enhance students' wider educational experience where appropriate.
- Undertake any other reasonable duties commensurate with the nature and level of the post as directed by the Headteacher, Line Manager or Senior Leadership Team.

Safeguarding, Health and Safety

- Promote the safety and wellbeing of students and fulfil safeguarding responsibilities in accordance with Keeping Children Safe in Education, the school's Child Protection Policy and other relevant policies and procedures.
- Maintain a safe learning and working environment and ensure appropriate health and safety procedures are

followed within the subject area.

- Ensure geographical fieldwork, educational visits and associated activities are planned and delivered in accordance with school procedures, relevant risk assessments and health and safety requirements.
- Maintain appropriate confidentiality and handle information relating to students and staff in accordance with school policy and data protection requirements.

Professional Development

- Maintain up-to-date subject, curriculum, pedagogical and leadership knowledge through ongoing professional development and reflective practice.
- Take responsibility for identifying and addressing own professional development needs and engage positively with opportunities provided by the school and Trust.
- Participate fully in the school's appraisal and professional development processes.

Personal and Professional Conduct

- Uphold public trust in the teaching profession and maintain high standards of ethics and professional conduct both within and outside school.
- Demonstrate professional regard for the ethos, policies and practices of the school and maintain high standards of attendance and punctuality.
- Model positive attitudes, behaviours and professional relationships with students, colleagues, parents/carers and the wider school community.
- Promote equality of opportunity, respect individual differences and value the cultural, religious and wider diversity of the school community.
- Demonstrate accountability for the quality of leadership, curriculum provision and student outcomes within Geography.

Other

- The Trust is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff to share this commitment. An enhanced DBS check will be carried out on the successful candidate.
- The Trust is committed to equal opportunities for all.
- The successful candidate will be required to complete a satisfactory medical screening assessment and provide two satisfactory references, identity check and right to work.
- The terms and conditions are specified within the contract of employment.

This job description is a representative document. Other reasonably similar duties may be allocated from time to time commensurate with the general character of the post and its grading. The person appointed will be expected to work flexibly and the exact nature of the duties described above is subject to periodic review and is liable to change.
