ALTUS
EDUCATION PARTNERSHIP

Thank you for your interest in working at Rochdale Sixth Form College. I hope that you will find this pack useful in completing your application.

Rochdale Sixth Form College (RSFC) opened in 2010 to address the significant underachievement in A Level performance in the borough. Since then, it has raised achievement in the area dramatically and is recognised nationally as a centre of excellence. The college is rated Ofsted outstanding and, is consistently ranked as one of the highest performing colleges in the country according to the DfE's performance tables and national achievement rate tables.

The Altus Education Partnership was formed in April 2017. It is a multi-academy trust formed by the governing body of Rochdale Sixth Form College and dedicated to the improvement of education in the borough of Rochdale. The Trust's mission arose from and builds upon the successes and values of the sixth form college. In short, our mission is to create a family of academies from early years to 18 that enables students in the borough to progress to an aspirational career, a fulfilling life and to make a positive contribution to society.

To work at RSFC you must aspire to be an outstanding colleague. You must be willing to share and learn. You must be prepared to go the extra mile, be a leader not a follower. Above all else, you must like young people and aspire to make them outstanding citizens.

We wish to appoint someone who will help us to continue to make a positive difference to the lives of young people in the borough. In return we promise a supportive and enjoyable working environment, and the resources needed to carry out the role to the highest standards.

I very much look forward to hearing from you.

Yours faithfully

Karl Smith
Principal

RSFC Vision, Mission, Values & Beliefs

Our Vision

To provide academic excellence and transform life chances for young people in our community

Our Mission

At RSFC our central purpose is to help our students realise their academic potential. We believe every young person can succeed and we devote ourselves to improving student achievement, through high-quality teaching and student support. Our young people are challenged to achieve through high expectations within a "you can do it culture". We always aim to build aspiration; to inspire and to motivate our students so they have the opportunity for greater choice in life.

Our Values and Beliefs

As a Sixth Form College and as individuals we value and champion:

Resilience

We prepare our students to face challenges with determination and perseverance. By nurturing resilience, we help them to overcome setbacks, grow in confidence, and develop the strength to achieve their ambitions.

Support

Every individual matters. We offer care, encouragement, and guidance so that students feel valued and understood. Our community is built on strong relationships, where support is central to personal and academic success.

Fairness

We are committed to equity, integrity, and justice in all that we do. Students and staff are treated with respect, honesty, and impartiality, ensuring everyone has the opportunity to thrive.

Compassionate Rigour

We set high expectations and hold students to them with kindness and empathy. Through compassionate rigour, we combine challenge with understanding, ensuring students are stretched to achieve excellence while feeling supported every step of the way.

The Ambition is that by the time students leave RSFC they will:

- Have achieved their personal academic potential giving them a greater choice in life
- Have the highest aspirations and developed the self-esteem, confidence, and emotional resilience to exploit their potential
- Be contributing members of the community and have compassion for others
- Be able to celebrate their success and that of others
- Have developed the confidence to overcome barriers to success
- Be articulate, creative, and prepared for future growth and learning
- Be happy!

Shared Objective for all Staff

"To maximise students' achievements"

- At RSFC we do this through engaging our students in their subjects and inspiring them to enjoy their studies in a totally positive atmosphere
- Our students are challenged to achieve through a culture of high expectations and a belief in their ability
- Above all, staff at RSFC like their students and demonstrate this through their daily conduct and interaction

Background Information

High Academic Standards, High Expectations

Rochdale Sixth Form College has become one of the country's leading Sixth Form Colleges. It promises outstanding learning and teaching, with excellence being important in everything the College does. At RSFC we have simple systems and processes that are executed superbly well – this is important. We have no intention of complicating our organisation. Excellence in the classroom, abundance of powerful support, forensic tracking of student progress, the highest expectations for all students and a positive culture are central to our philosophy. The minute we move away from these beliefs is the minute we take our eye off the ball and that is not what RSFC is about. All students are expected to achieve at least their potential and more. We want to inspire, motivate, and enthuse and want the young people who walk through our doors to develop a positive 'can do' attitude and with it the self-confidence and self-belief that comes from being successful.

Inspiring and Passionate Staff

Having the right values are crucial at RSFC. High expectations and empathy are core principles at RSFC for all staff. Caring for our young people and being compassionate does not mean compromising on academic rigour. We expect staff at all levels to have the expertise and commitment but also to be passionate about young people and love working alongside them. All staff will build self-confidence and self-esteem into students through their daily interactions and have a burning desire to see them achieve their potential. High expectations of students and a total belief in their potential are an absolute must!

Mathematics at Rochdale Sixth Form College

Mathematics is a thriving, ambitious and highly successful area of the curriculum at Rochdale Sixth Form College. With over 600 students across Years 12 and 13 studying A Level Mathematics, this represents one of the college's largest curriculum areas and offers an exciting opportunity to lead a substantial and high-performing provision.

Our curriculum is deliberately broad and ambitious. Alongside A Level Mathematics, around 80 students study AS or A Level Further Mathematics, with a further 80 students studying A Level Statistics. We also offer Level 3 Mathematical Studies (Core Maths) and GCSE Mathematics, providing pathways that enable students with different starting points and aspirations to develop their mathematical knowledge, confidence and skills.

The successful candidate will lead a talented and committed team of Mathematics teachers, working closely with the Course Leaders for Further Mathematics, Statistics and GCSE Mathematics to provide strategic direction across the wider Mathematics provision. They will have the opportunity to shape the future direction of Mathematics across the college, building on strong foundations while continuing to drive innovation, academic excellence and outstanding student outcomes.

Our ambition extends well beyond examination success. Through our established School of Maths, students are provided with extensive opportunities to deepen their thinking and prepare for the most competitive university courses and career pathways. This includes a monthly programme of guest lectures hosted within college, university visits, weekly problem-solving workshops and mathematical participation in national competitions, including the Senior Mathematical Challenge and MEI Ritangle. These opportunities help to develop advanced mathematical thinking, support progression to highly selective destinations and nurture a vibrant mathematical community within the college.

This is an exciting opportunity for an experienced and successful middle leader seeking a significant career step, or an established leader looking to make a major impact within an exceptional educational environment. We are looking for someone who will bring fresh thinking, ambition and strategic leadership, building on the department's considerable strengths while shaping the next phase of Mathematics at Rochdale Sixth Form College.

We are looking for someone who will:

- Inspire students and colleagues through a passion for Mathematics and excellence in teaching.
- Lead curriculum development and innovation across a large and diverse Mathematics provision.
- Develop and support a team of talented teachers to achieve their very best.
- Champion high aspirations, ensuring students secure outstanding academic outcomes and progress to leading universities, degree apprenticeships and careers.
- Use data intelligently to drive improvement whilst never losing sight of the individual learner.

In return, we offer:

- A highly competitive salary, significantly above many comparable roles.
- The opportunity to lead within one of the UK's leading sixth form colleges.
- Exceptional professional development and leadership opportunities.
- Highly motivated, academically ambitious students who genuinely value learning.

- A culture of support, collaboration and continuous improvement.

Altus Education Partnership

Altus Education Partnership is a Multi Academy Trust and was established in 2017 through Rochdale Sixth Form College, an Ofsted Outstanding provider, and grew from the Trust's desire to improve education in the borough of Rochdale as a whole.

The Trust currently comprises five academies, including ourselves. The other four academies are:

- **Edgar Wood Academy** is an 11–16-year-old state-funded secondary school who opened their doors in September 2021. From September 2022, students at Edgar Wood Academy were the first to experience their new school building, with its modern state-of-the-art facilities.
- **Kingsway Park High School** is an Ofsted-rated Good school with a strong track record of providing students with an excellent education. The Academy recently benefitted from a new teaching block, which opened in late 2024.
- **Bamford Academy** is an Ofsted-rated Good primary school providing a caring and nurturing environment. It is a popular first choice for many families in the area.
- **Caldershaw Primary School** joined the Trust on 1 July 2025. It is Ofsted Outstanding and one of the most oversubscribed primary schools in Greater Manchester.

Altus is on the cusp of further growth, with three additional schools currently considering academisation in the autumn term.

We also benefit from strong local partnerships. Most notably, and uniquely within the post-16 sector, Altus has a Memorandum of Understanding with Hopwood Hall College, coordinating curriculum and supporting seamless transition for students into post-16 education

Opportunities for CPD

- There is a rigorous ECF programme of study at RSFC that involves weekly meetings, professional discussion and persistent reflection of teaching practice to ensure our ECTs are gaining the best possible start to their career. These weekly meetings and reflections form part of the ECT developmental programme that will lead to recognition and potential certification by the College of Teachers at the end of two academic years.
- RSFC provides additional responsibility allowances for the development of pedagogical areas identified in the strategic action plan. Staff here at the college have the opportunity to apply for such posts and develop whole college teaching and learning strategies to implement change where deemed necessary.
- All staff at RSFC have the opportunity to attend specific teaching and learning workshops throughout the academic year. These workshops are developed and delivered by teachers who wish to share their

expertise or provide feedback based upon research that they have carried out within the college with the Vice Principal for teaching, learning and assessment.

- Experienced teachers at RSFC can become trained lesson observers to support quality assurance cycles, staff development and subject area reviews. All teachers are offered the opportunity to take part in joint learning walks both within and outside of their subject specialism.
- All staff at RSFC have personalised performance management targets that specifically allows individual professional development in the sixth form sector. Staff may work in clusters or on an individual basis with supervision and support from the Senior Leadership Team. RSFC is committed to both student and staff learning and provides all the necessary requirements to ensure staff develop at a rate that reflects their aspirations and professional goals in both the short term and long term.
- All teachers at RSFC are supplied with booklets, guides and the latest research documentation to support their current pedagogy and personal development.
