Headteacher:
Farzana Shah, B.Ed Hons., M.Ed., NPQH

Deputy Headteacher:
Mrs Laura Holmes, B.A Hons (QTS), NPQSL

To Prospective Applicants

On behalf of the Governing Board, I thank you for considering applying for the important position of Headteacher of our school.

Newlands is a purpose built primary generic special school, co-located with Hollin Primary to form Hollin Learning Community. The co-located buildings are funded through a Private Finance Initiative scheme.

Governors are committed to providing the best possible education for our pupils and maximising their development. We also believe that ensuring all our staff are able to meet their own personal development needs is essential to improving our service to our pupils. Inclusion is also a key factor, not only by maintaining a good working relationship with our co-located school but also improving our links with other schools, parents/carers and the wider community. These links are a cornerstone to our success.

We have made good progress in many areas, and see this as an excellent opportunity for our new Headteacher to build on the work already undertaken. We are looking for someone who is ambitious for the school - especially our children - and ready to take the school to the next level of its development. The person appointed will have the full support of Governors in achieving these objectives.

We look forward to considering your application.

Chair of Governors
