Departmental Information

Are you a Teacher of Geography looking to play a key role in one of the highest achieving schools in the Rochdale borough? This post is an exciting opportunity to teach and work within a team of highly motivated and inspiring staff.

Due to a departmental maternity leave, Holy Family RC & CE College is seeking an enthusiastic and creative Teacher of Geography who is passionate about education and who has a flair for working with young people, who will drive the Geography department on to its next stage of development as a high performing faculty.

At Holy Family we have a strong Christian ethos, as we welcome everyone who shares our values of Faith, Integrity, Compassion, Perseverance and Community.

Holy Family RC and CE College is the only joint faith school in the northwest region and is supported by both the Manchester and Salford Diocese. Our mission statement is underpinned by John 15:5.

'I am the vine, and you are the branches. If you remain in me and I in you, we will bear much fruit. Apart we can do nothing.'

This encapsulates our vision that all members of the Holy Family community are nurtured through Christ, to be supported and challenged.

Geography provides a rich and wide range of experiences inside and outside the classroom at Holy Family. This subject provides students with opportunities to develop concepts and skills that will help them to make sense of their own experiences.

The department has dedicated teaching rooms, fully equipped with a PC, projector and interfaced white board for the students to use to support their studies.

The successful candidate will not only have access to a bank of bespoke T&L resources which have been developed in house by our highly skilled team, but also to a full program of support and CPD.

Our school, though oversubscribed, has the advantage of being small enough for staff get to know our wonderful young people thoroughly, enabling each student to access tailored support and care. Their behaviour reflects the 'family' ethos that we have worked hard to cultivate, so that your lessons can focus on delivering engaging and challenging Geography lessons that push our students to achieve their full potential.

The successful candidate will be:

- Passionate about maximising the achievement of students through excellent teaching and learning
- Experienced in teaching both Key Stage 3 and Key Stage 4, with successful measurable outcomes
