Dear Applicant,

Thank you for your interest in becoming our new Executive Headteacher. We are delighted to be able to offer a motivated and dynamic candidate the opportunity to lead our three fantastic schools in the next stage of their development

At **Lewis Street**, **Christ Church** and **Lark Hill** Primary Schools we believe that accountability and trust through '**partnership**' provides better opportunities for all children through school to school **support** and **challenge**.

All our children are encouraged to try their best; take responsibility for their own actions; have a go at everything and aim to succeed. Our mission statements and ethos have been developed by the whole school community and as such children have a say in what goes on in our school. We have an outstanding staff team who are passionate about the learning and well-being of children in their care. We believe that all children can succeed. We have a strong inclusion team to support children and families including those with SEND.

We are committed to developing our children academically, physically, emotionally and socially, giving them the very best experiences of learning, with lots of trips (including residential), visitors and an innovative curriculum that seeks to develop knowledge and is relevant to life in the 21st Century. We believe that children will be better equipped for life beyond school if they are more globally aware. You can find out more about our schools by visiting our websites
