Dear Prospective Headteacher,

Welcome to River View Community Primary School. The governors and I thank you for the interest you have shown in the post of Headteacher of our school.

Under the leadership of our current Headteacher, we were delighted to continue our 'good' status in our September 2023 OFSTED inspection and a letter from the Local Authority gave us a Grade A classification for the overall performance of our school in 2024.

We are now looking for the right person to lead us through the next stage of our exciting journey. River View is looking for an individual who will provide ambition to enthusiastically promote and uphold our school vision.

We have an excellent team of dedicated staff who are innovative, creative and work tirelessly to ensure that every child enjoys their time at school. The River View Community champion every child so that they can achieve their full potential. Our aim is to educate the whole child in a way that prepares them fully for later life. We are proud of our significant enrichment offer to our curriculum, where our staff have worked carefully to maximise the learning experiences that are on our doorstep. At River View, our primary aim is to create a school where each and every child feels a sense of belonging. Through carefully thinking about the experiences we provide for our children we can create an environment of equity.

To fully appreciate our school community, we would recommend you visit us in person. You will be warmly welcomed and will have the opportunity to discover our wonderful school environment, staff, children and facilities for yourself.

We hope that after reading the information provided here, visiting the school, and reflecting on the opportunity this role offers, you will submit an application. Should you choose to do so, we look forward to receiving it.

Kind regards,

The Revd Canon Falak Sher

Chair of Governors
