A digital organisation

Developing your digital skills

Our ambition is to provide our workforce with the right level of digital capabilities needed to be successful. Whatever your current digital abilities are, we can provide development ranging from essential workplace skills to specialist workplace skills. These will be delivered through our Digital Skills Academy using both self-directed and guided learning opportunities to enable you to develop. Additionally, you can access free online courses through the [iDea](#) website.

Sharing your digital skills

Our goal is to support you to share your digital knowledge with other people. Our Digital Eagles programme has been designed to cover basic digital skills and build your confidence to assist others. By the end of this programme, you will join hundreds of staff members who already are digital eagles, and be able to help colleagues, customers, residents, or people in your personal life with all things digital.

Our leadership behaviours

As a values-based leader you will:

- Model the values and embed them into the way your team delivers services.
- Hold people accountable for demonstrating the values.
- Respect and care for others, treating everyone fairly, valuing and welcoming diversity, respecting people's identity, listening and acting on the things people say to enable everyone to achieve their full potential.
- Be honest, taking responsibility for your actions and decisions.
- Use resources that you are trusted with wisely.

To lead others, you will:

- Listen to understand, not to defend.
- Give people the freedom to use their initiative.
- Provide opportunities for people to discuss and solve problems and issues – focussed on learning, not blame.
- Regularly provide coaching and support to others to help them achieve their objectives and potential.
- Appreciate and build on people's strengths.
- Motivate, engage, encourage and inspire others in order to be the best they can be.
- Build lasting productive relationships with residents, partners and elected officials.

To lead outcomes, you will:

- Be visible, inject pace, vigour and purpose.
- Expect high standards; mediocrity is not acceptable.
- Take an evidence and whole system approach in making decisions.
- Maximise technology and models to deliver quicker, easier, better services.
- Have a digital mindset, fully utilising digital systems and solutions to deliver services efficiently and effectively.

- Set context and challenging goals that will motivate people to take ownership, maximise performance, and develop.

To build and communicate a vision for the future you will:

- Be optimistic and ambitious for the city and its people, helping others to understand the need to change how we do things.
- Build strong collaborative relationships to find creative ways to make services more sustainable and flexible.
- Recognise and value the strengths of people and places, taking a strengths-based approach to make the most of opportunities.
- Support people through change, in undertaking new things, and taking risks.
- Take a place and whole system approach in designing, delivering, and leading services developing solutions with our partners.
- Ensure inclusion is integral to service delivery and organisational performance and develop a resilient, diverse workforce who reflect the increasing diversity of our city.
- Be optimistic and ambitious for the city and its people, helping others to understand the need to transform public services.

Our organisation’s values

We have four values: Pride, Passion, People, Personal responsibility.

[Our four values](#) are central to the way we communicate about the council and the way in which we behave with colleagues, customers, and partners - so that we live and breathe our values each day.
