

Job Description and Person Specification Profile

Job Title	Skilled Utility Operative (Highway Drainage)
Job ID	F45
Service	Engineering Services
Grade	E
Reporting to	Q/S Supervisor

The Role

Post Objectives;

The maintenance of Highway Drainage Systems.

Main Duties and Responsibilities include:

- Maintenance of Highway Drainage including operating gully cleansing plant, high pressure jetting and driving.
- Working a weekly rota-based shift pattern (06:00-14:00, 07:30-15:30, 14:00-22:00).
- Compliance with all relevant Health and Safety Regulations and Legislation
- Use hand held data capture devices and computer systems where required.
- Liaise effectively with Council Officers, Members, Engineers and Members of the public
- Drive all classes of vehicles and plant for which the post holder is licensed and certificated
- Participate in ongoing personal and service development and training

The duties may vary from time to time without changing the nature of the post or the level of responsibility, and the post holder may also be required to carry out any other duties appropriate to the grading of the post, such as assisting with Street Lighting repairs and maintenance.
