HEADTEACHER: Miss A. Flynn

Dear Colleague,

Deputy Headteacher – St Margaret Ward Catholic Primary School

Thank you for showing an interest in this exciting opportunity at St Margaret Ward Catholic Primary School.

Choosing the right school is as much about finding the right community as it is finding the right role. At St Margaret Ward, we believe that what makes our school special is our people. We are a warm, welcoming and caring Catholic school where relationships matter, children come first and every member of staff is valued.

Our most recent Religious Education Inspection judged the school to be Outstanding, describing St Margaret Ward as a "*happy, caring, family-orientated school where the Gospel values underpin the whole fabric of the school.*" These words capture what we strive to be every day. We are proud to be a school where children feel safe, happy and loved; where families know they are supported; and where staff work together with a genuine sense of teamwork and shared purpose.

As Deputy Headteacher, you will join a dedicated and compassionate team that is ambitious for every child while never losing sight of the fact that education is built on strong relationships. We are looking for a leader who shares our Catholic values, believes in the potential of every child and will help us continue to nurture both academic excellence and personal growth.

This is an exciting opportunity to help shape the future of a thriving school at the heart of its community. In return, you will find supportive colleagues, engaged families, delightful children and a governing body committed to helping both the school and its staff flourish.

We are also entering an exciting new chapter in our school's journey. St Margaret Ward has begun the process of joining Corpus Christi Catholic Academy Trust, with academisation expected to take place at some point during the coming year. This presents a unique opportunity for the successful candidate to play a key role in helping to shape and lead the school through this period of transition, while preserving the distinctive Catholic ethos, strong relationships and sense of community that make St Margaret Ward such a special place to learn and work.

Most importantly, you will find a school that truly lives out the belief that we are a family within God's family.

HEADTEACHER: Miss A. Flynn

We would love to welcome you to visit our school and experience the warmth, kindness and sense of community that make St Margaret Ward such a special place to learn and work.

If you are looking for a leadership role where you can make a real difference whilst being supported, challenged and appreciated, we warmly encourage you to apply.

I look forward to meeting you,

Yours sincerely,

Aine Flynn
Headteacher
