The successful candidate will:

- * Demonstrate a strong moral purpose and unwavering commitment to children and young people.
- * Have a proven track record of successful leadership and school improvement.

- * Champion high expectations and positive outcomes for all learners.
- * Lead with integrity, resilience and compassion.

The Governing Body is committed to working alongside the successful candidate to ensure that the school continues to develop and provide the highest quality education and support for all pupils.

We warmly encourage prospective applicants to visit the school and experience first-hand the values, culture and potential that make Egerton High School a rewarding place to lead.

Thank you for considering this opportunity. We look forward to receiving your application and learning more about the contribution you could make to our school community.

Yours faithfully,
