Higher Level Teaching Assistant L4 SEND Resource Provision

Dear Applicant,

Thank you for your interest in the position of HLTA teaching assistant at Meadowbank Primary School working in the resourced provision. We are proud of our talented team at Meadowbank and we are looking for the right candidate to complement the skills we have across our school.

Meadowbank is a unique mainstream primary school that has an onsite Family Hub Centre, an 8 place SEND unit and a resourced KS1 and KS2 provision integrated within the main school. Leaders wish to appoint an innovative, ambitious and forward thinking person, to work in partnership with the Inclusion Manager, the staff team and the Headteacher and Leadership Team at our successful and happy school.

Meadowbank Primary School serves an area of high deprivation and we work closely with a group of seventeen schools as a collaborative consortium across the locality as well as working in partnership with Wigan LA. We also have strong links with external agencies who provide support to our pupils in partnership with ourselves. These partnerships facilitate many opportunities for staff development and are part of our vision to be at the forefront of inclusive practice; making use of research and ensuring we offer a broad and balanced curriculum to all pupils.
