(reviewed after this date for the following year)

Dear Applicant,

Thank you for your interest in the L2 Teaching Assistant at St Mary and St John's Catholic Primary School.

We are a high achieving school academically, with Governors and staff striving to ensure that all children achieve their full potential in a learning environment in which they feel safe and happy.

We cherish our mission statement: *'In the Light of Jesus, we learn to shine.'*

And we seek to promote the best in our children through the following aims:

- To provide opportunities that will lead our school community to a fuller understanding of Gospel values.
- To promote religious knowledge, understanding and skills so our children can think spiritually, ethically, morally, and theologically appropriate to their age and ability.
- To provide a welcoming, caring, safe Christian environment where children can develop self-respect, integrity, and a sense of individual worth so they are able to co-operate with and show consideration and tolerance for others.
- It is also our aim to provide a challenging and enjoyable curriculum that has breadth, balance, relevance, differentiation, progression, and continuity which will give our children the confidence to reach their full potential and prepare them for the opportunities, responsibilities, and experiences of adult life.
- We also aim to enhance the relationship between home, parish, and the wider community including promoting effective safeguarding for all our pupils.

We benefit from a very active Governing Body, supportive parents and hardworking children and staff. Our staff value our effective team approach, and we are genuinely open and supportive of our colleagues. We achieve high standards through collaborative responsibility and expect all new colleagues to support the Catholic ethos and philosophy of our school.

We welcome any applicant who is confident they have the skills and enthusiasm to join our successful school family.

Yours sincerely

Mrs A Whitney
Chair of Governors
